Minutes of the Student Senate
Armstrong College

11/16/49

The meeting was called to order for the first time in the fall quarter of 1949 by President Eve Strong. An election was then held to fill the offices of Secretary and Treasurer. Joan Schlinger was elected Secretary and Bob Rizza was elected Treasurer.

Jack Shaak proposed a new club for Armstrong called the Student Public Relations Organization. He stated the purpose of this club was to publicize the activities of Armstrong, not only to the students but also to outsiders. After the charter of the club was read a motion was made and passed that we accept this as a club of Armstrong.

The President then called on the members of the various organizations to submit their budget for the following year. With the total budget going over the amount of money appropriated, a motion was made that someone be appointed head of a finance committee to meet with a representative from each of the organizations and try to reduce their budget to the amount allotted.

Jack Shaak asked that the Student

Activity Committee, which is headed by Bill O'Hayer, work in conjunction with the Student Public Relations Organization to see if the organizations in Armstrong are active and what they are doing.

The question was raised as to what to do if you are absent from the Senate meetings. Since no one knew what had been done in the past, it was suggested that we review the acts of the Senate. It was also suggested that the Senate get a private book. We were reminded that the Terrapin Club of last year had donated a gavel to the Senate.

It was decided that a theme for Homecoming would be a good project for the Spirit.

Tommy Miller was unanimously elected chairman of Homecoming with Miss Helen Wolfe being in charge of the reception.

With no further business, the meeting was adjourned.

11/30/49

The meeting was called to order November 30 by President Ex Strong and the minutes of the meeting of November 16 were read.

The President called for a report of the finance committee. Bob Ring stated that he had worked out a budget with Mr. Becker which takes $4,982 of the $5,250 allotted us which leaves $268. He then read the amounts allotted to each organization.

The representatives for the Spos stated many reasons why they would need more than the $25 allotted them. It was then suggested that after the complete organization of the Spos they come back or ask for more money if it is needed. A motion was then made and passed that we accept the budget.

Aubrey Hayes explained the idea of having a pioneer week in which the students would dress like pioneers for a week which would be climaxed by a big dance. A discussion was then started as to when we could have it. A motion was made and passed that Pioneer Week be postponed to a later date either in the spring or winter quarter, the date

to be set by the Pres.

While deciding on a theme for homecoming, Mr. Beecher gave many good reasons why Savanrak should have a standard gym. He also said that there should be some kind of a drive to show the people of Savanrak these reasons. A motion was then passed to have the theme "A New Gym."

New business was called for and Bob Rizza suggested that we have a special committee to work for a new gym. It was decided that the representatives take this to their organizations for discussions.

The Pres. then announced that they wanted to put out a bulletin which would be publicity and advertisement for all the organizations. The motion was passed to have a bulletin three times a week with publicity that any organization wants.

The Schaaf Bill was then proposed by Jack Schaaf which read:

1. All permanent bulletins to be posted for a maximum of two weeks.

2. A faculty member or someone of responsibility to be put in charge of the

bulletin board. His person is to see that all unnecessary bulletins are taken down.

3. All posters must be dated at the time that they are signed by the dean of Students Office.

His bill was passed and Jack Schaaf was appointed bulletin board chairman.

1/11/50

Meeting of January 11, was called to order by the President and after the approval of the minutes President Hawes gave a speech on the importance of the Student Senate and on the seriousness of the financial situation at Armstrong. President Hawes stated that Armstrong would not have opened next September if the recent increase in the city's appropriation to the college had not been passed.

Abrey Hayes made a motion that members of Pere receive a major honor point toward a silver "A". After a lengthy discussion, it was suggested that a committee be appointed to investigate the requirements for obtaining a silver "A" and make suggestions as to how to correct any flaws that are found. Hayes then withdrew his motion in favor of the investigating committee.

Another committee was appointed to draw up a more intensified student activity schedual.

Plans for Pioneer Week were then presented, discussed and approved by the Senate. Pioneer Week is to begin Wednesday January 18 and last until Friday January 27.

The possibility of having a juke box installed in the "Beanery" was O.K'd providing that it pays for itself.

1/25/50

O'Hayer read student activity schedule.
Buddy Rigga gave the treasurer's report.
Ned Foster motioned that an amendment to the constitution be made to enable the Candler nurses to have a seat in the Student Senate. Discussion ensued. The motion was not passed.
Dillon motioned that the nurses be invited to all dances with special invitation if necessary. Discussion ensued. Motion passed.

The meeting was called to order by the President and the minutes of the meeting of January 25, were approved as read.

The treasurer then stated that anyone could now obtain an itemized report from him.

A report of the Honor Point System Committee was called for. The committee said that after an examination of the system they decided it would be best to leave it as it is.

Discussion then ensued as to the honor system of the school.

There was no old business.

New business was then called for. Ned Foster read a petition for the formation of a photography club. The discussion led to the fact that they must have a charter before the senate can approve the club. A motion was made that when they present the charter we will consider the approval of the club. Since the duty of the senate is to vote on these clubs the motion was unnecessary so it was

throw out.

The Representatives of 1900 submitted another charter for the organization of 1900 because they decided the first charter was faulty. They received approval of the new charter.

Frank Liggett read a chapter for the Ritual which was accepted.

Leo Kenna opened a discussion on the purpose of the Initiate. After quite a lengthy discussion on an unnecessary article that need not be printed, Leo Kenna made a motion that no papers be sent in the Initiate and the editor be instructed to write only articles in the future. The following discussion served to bring out the fact that there was difference of opinion as to what could be printed. So as the business of the minutes of the meeting in which the Initiate was approved, a motion was made to lay Mr Kenna's motion on the table until the necessary changes could be obtained. In the following discussion quite a few changes were made; such as, that until

2/27/30

The meeting was called to order by Vice President Johnnie O. Patterson and the roll was called by the secretary of the last meeting. As the minutes were lost and of a meeting, [illegible] kept. Each word for word as they appear kept [illegible] the minutes were approved.

3/1/50

The last meeting was good for the beginning of the month of the meeting of January 23.

We fought the old fight with which to carry on the light of the world. The only way to save the life of the nation is to establish and the right to be upheld to work out the [illegible] and the [illegible] and the [illegible] and

Aubrey Hayes then made a motion to abolish SPRO. After much discussion it was decided that all that was necessary was for SPRO to withdraw their charter from the file of the Student Senate - and that since Mr. Hayes was President he could withdraw the charter.

The representative for the Braves then asked that they be considered to take over the projects of the SPRO's.

A motion was then made that the Student Senate set up a committee to take care of the projects until they are given to a definite organization. The President said a committee would be appointed and decide who can take over the projects and report next meeting.

The meeting was then adjourned.

3/12/30

There was a call meeting of the Student Senate April 2 for the purpose of planning the committees for Open House which is to be held May 2 from 4 to 6:30. Miss Wolfe who is in charge of Open House explained to us how the committees were to be set up and the duties of each.

Decorations - Mary Corday
Guides - Bob Rynn

Invitations - Millard Shepherd

With no further business the meeting was adjourned.

11/9/50

The first meeting of the Senate was called to order today Nov. 9, 1950, by the President, Charles Court. The election of officers for Secretary and Treasurer was held. The new Secretary was Jeanne Langston; Treasurer, Boyd Yardley.

The matter concerning the budget was then brought before the meeting and a committee was formed, consisting of Miss Anderson, Mrs. Hart, and Chairman Mr. Yardley, to plan the budget for the year.

Mr. Beacher then brought to our attention some facts concerning the Senate in previous years. He also brought out the activity of the Senate in governing the college and the duty of each Senator ~~to~~ to the organization ~~they~~ he represents what is taking place in the meetings.

Rules previously passed by the Senate are:

1. An organization should notify Dean of parties or dances which are to take place at the school.

2. No alcohal beverages are allowed at such parties.

3. Posters placed in school should be initialed by Dean.

4. When activities are held in college buildings to make money for the organization 33⅓ of the profit goes to the college and 67⅔, to the organization as long as it is not distributed among the individuals. An activity committee was appointed by the President to enforce these laws. They were: Mr. Mathews, Miss Collins, Mr. Dunn and chairman, Mr. Foglen.

Mr Foglen asked if the publication organizations were to have one representative inaddition to the editor as the constitution reads. A motion was made and seconded that the editors of such be the only representative. After the discussion the motion was restated that the pub. organizations have only one representative elected from the staffs.

It was also reminded to us

that each student signed an honor pledge and anyone who violates it may be subject to trial by the Senate.

It was also suggested that the rules, which are in effect, for Freshman initiation should be enforced. As this is up to the Sophomore class the matter was dropped.

The meeting was then adjourned.

Respectfully submitted,
Jeanne Langston, Sec.

11/15/20

The meeting was called to order by the Pres., Charles Ernst, for the purpose of considering a charter for a new club, the Armstrong Rifle Team. As brought out in the charter, this team was to have only a specified number of members and could not be represented in the Senate as it was not open to the student body. The motion was made and passed to send to the faculty an endorsement of a Rifle Team saying that the Student Senate is in favor of Armstrong College having such a team to represent the college in interscholastic and intracollegiate competition. The meeting was then adjourned.

R. L.

The meeting of Nov. 24, was called to order by the Vice President Irene Crisfield. Correction to the minutes were called for and it was brought to our attention by the acting secretary that the A.K.E. Team was not a club as it was previously stated.

A report of the Student Activity Committee was given which stated that everything was found to be in order. All Charters are on file and they showed the conpalance of every club to turn the money that has been made over to the treasurer.

It was time printed sheets with the proposed budget were given out and the budget discussed. The Grade then voted to accept the budget.

There was no old business. The call for new business brought forth a Charter for the organization called "Newcomers" which was accepted.

Lindy Tyler then brought up for discussion the theme for home-coming which would last for three days and which is for the purpose of welcoming alumni. He

announced that badges for the parade would be fifty cents.
Suggestions for a theme were "Welcome Alumni", "Christmas", "5 minute to the Basketball Team."
The dance committee recommended Friday for the dance. A discussion for which day for the parade was brought up and Saturday was decided upon. A recommendation was put forth that a homecoming committee from the senate meet with other homecoming committees to set a definite date for the meeting. This committee was chosen and consisted of Tommy Williams, Henry Ivert, Boyd Yandley, and Barbara Cauley. The parade theme was decided on which was "Derby Day." Each organization should try to give an explanation of their float or a float. The committee for parade was to be chosen by Boyd Yandley who is to be chairman.

Mr. Smith proposed that the Tarheel sponsor a news letter weekly which shall be devoted to announcements

of weekly events. a box will be used to contribute announcements. This was put in the form of a motion and passed.

We also suggested that the Senate put out a student directory. After a few request from representatives that their organization be allowed to do this it was suggested that it would be decided next meeting when everyone has had a chance to make the request.

With no further business the meeting was adjourned.

Respectfully submitted.

Joan Lickrish, acting Sec.

The meeting was called to order on January 31 by the president Joan Cope. She dispensed with the minutes, there was no treasurer report. It was brought out that ~~Miss~~ Mrs. Nelson wanted a complete copy of the Senate budget that was signed by the treasurer.

Mrs. Handley introduced Mrs. Butler, the new representative of the Terrapins.

The motion was made to change the quorum from 17 to 10 as the representatives do not come. The motion was carried.

The motion was made that any organization who fails to send its representatives to 3 consecutive meetings will have their charter revoked and that they can come back in only with sufficient cause and with a new charter. The organization should be warned after the missing of 2 meetings. The motion was passed.

The meeting was then adjourned.

Respectfully submitted,

Leanne Swafford, LLC.

The meeting was called to order on January 14 by the President Joan Cafe. The honor was briefly discussed. It was mentioned that teachers are too busy, but if they want there is no honor. Enrichment says that they do not know about the honor system, but they sign a statement not to cheat.

Several suggestions were discussed: 1) to pass the idea around school through students; 2) to form a group against it to enforce honor. 3) that the students report cheaters. A motion was made to form a committee to plan a workable plan. But the motion was not seconded, the motion was dropped.

There was no other business, the meeting adjourned.

She said that Delta Chi needed to the work if the state furnished the needed expense. It was suggested that if the state did not appropriate funds, that each student pay 5¢ or 10¢ to cover the cost of it. The motion was made and passed for the state to pay $16 for the cost.

Under new business, the treasurer wanted to plan a system of points to present to the senate and to president Hawes to obtain a cover on this field. A motion was made & passed to this effect.

Under old business it was stated that the address book was making progress.

It was stated that there was an extra $2.50 in the budget, a motion was made ~~and passed~~ to divide the $2.50 among the clubs using the "To Do" that was used in the fall. The amendment, which was passed, was to give the money to the club that needed it most.

Under new business, a motion was made and passed for the teachers to send out mid-term grades instead of just the failing grades.

The freshman class brought up the matter of the graduation dance for the sophomores. It was suggested that the senate appropriate money from the activity fee to pay for this dance. That was impossible as the money has already been spent. A motion was made to appropriate money from the activity fee to pay for the frosh. and soph. dances in the future. The motion was not passed. It was suggested to

bring this matter before the student body.

The meeting was then adjourned.

The meeting was called to order by the president Joan Cafer on June 4. By action of Student Senate in May 1949, the Student " was given charge of all trials involving violation of the honor system. The person charged may appeal case to President of the College and Faculty Committee. This meeting was called to hear the evidence in this case involving the honor system. The Student Senate will judge this case guildy or not guilty of the charges given. If found guilty, the punishments suggested are: (1) expulsion, (2) failure in course, (3) clemency (4) anything within reason. A verdict of guilty does not mean automatic expulsion.

The evidence was then presented by the prosecutor, Mrs. E. M. McCray, Biology Instructor.

"It is with much sorrow and regret that I request that Mrs. Hall either be called before the Student Senate on Monday, June 4, 1951, to answer to and explain the following

Charges:

1. That on May 31, 1951, during a final laboratory examination in Biology 1s, he was observed looking on another student's paper.
2. That, during the same examination he was observed speaking in low tones repeatedly to the above mentioned student.

It is requested that certain people be made available for testimony if necessary, so that a fair and honest examination of these charges can be made."

Mr. Butler made his own statement in defence.

"Your honor, faculty, fellow senators, and fellow students. Awards are given for good and bad actions (things). Honorable awards are usually given for an honorable act or thing. Dishonorable awards are given for " leds. Again & add usually.

I understand that I am an example, or that I represent

many of you in possibly accepting a dishonorable award. My only regret is that I feel a certain amount of guilt in being so selfish standing here before you taking all of the award!

To punish one person would probably have some good effect of the school's record of cheating. However, a day, a year, or five years from now I know what people will say. They will say much. Some will say he was cheated and that is still the reason he still hasn't been able to get a job or go to another school. Some will remember that his name was so-and-so. But the majority, I'm afraid, will only remember one thing — that is — he got caught.

I wonder what causes people to cheat; that's what has to be known.

I think that we are all guilty to some extent about this deal of cheating. The world is guilty. I believe that all of you have been

a slave at some time or other. I am no longer a slave to this horrible thing. I do not believe that you can judge my act as being bad enough to prevent me to go on with my life without a permanent scar. I am as good a judge as the majority of my judges. I do not deny my act, because I am strong enough to admit it not because I was caught. Is that cause cheating? Most of us have cheated. I apologize to members of the faculty and the students."

There was then a general discussion of the facts presented. Mrs. Alfeiri said that most people had cheated before, but that, many times, they could not help it. Mrs. McCray stated that when he suspected cheating, he usually talked to the students personally and sometimes failed then. In this case, all students knew of this act. The evidence was laid in his lap and the students were waiting for action. The question

was asked, "Will this policy prevail with all teachers?" Mrs. R. answered that many students were guilty of cheating, but that it is hard to get enough concrete evidence. She also brought out that Wally was not an example, but the only one that we have concrete evidence against. It was also brought out that Wally was a fine person but that he just slipped. The question was called for to vote guilty or not guilty. The defender and prosecutor were asked to leave the room. The senate voted by secret ballot and found the defendant unanimously guilty as charged.

Recommendations were then made for the type of punishment. Miss Norman stated that this thing was not impartial, but that we should still try to judge the actions for the act itself. We are supposed to have an honor system, but, if people can see that they can get by with cheating,

they will cheat. Harsh punishment should be administered to try to prevent cheating. Miss Jenkins stated that the senate had known what was going on, but had done nothing to prevent it. Mr. Murphy said that nothing had been done but that at a previous meeting, the senate had vote to keep the honor system and to enforce it. This had not been done. Miss Jenkins stated that individual members should not be condemned when nothing had been done to stop others. Miss Norman said that some one had to be the first and why not now. Technically there has been no cheating, but still we must act on the rules that we have. We are here to decide what is to be done; cheating is all over the school. Mr. Belcher brought out that the original motion of the faculty was the expulsion of any student who was caught cheating. Many members of the

faculty considered this too harsh and it was rejected.

It was also stated that if no recommendation for punishment was made, the matter would be dropped. This case is an effort to injure Honesty at Armstrong. This agitation will help some. Both students and faculty are fed up with the actions not taken. The faculty will usually not trust just their own suspicions and are unable to get another person who will help them.

The motion was made to pass out the ballots for prescribing punishment - expulsion, clemency, or failure in course. The vote was as follows: 8 - clemency; 5 - failure; 4 expulsion; 1 full punishment. It was then voted for clemency ~~and~~ or failure - failure in course - 9, clemency - 8. The ~~[illegible]~~ accused will be failed in Biology 1S.

It was stated that the senate should continue actions such as this next year to try

to improve and abolish cheating.

Mrs. Beecher stated that the extra $2.50 had been divided. $1.00 went to the Beecher staff; $.50 to the Dance committee; and $.25 each to the other clubs.

There was no further business so the meeting adjourned.

Res. Submitted.

Athletics	$ 100
Music Comm.	$ 50

Miriam Corwin asked about some money for Beta Kappa. This was refused on the grounds that the club is not open to all students. The budget was accepted as sub-

mittee and Ralph Dilgoff moved that the budget committee be thanked for doing a good job. There were no further old business.

Mary Ann McGrady then brought up the subject of Homecoming and asked what the Senate's interest concerning the matter would be. Mr. Nichols said the it was the Senate's job to appoint a Chairman of Homecoming, a Parade Chairman, a Faculty Advisor, and a Theme.

The Theme of Homecoming were discussed first. Some ideas presented were 'A Typical Day in the Organization's Life'; 'Better Schools in Chatham County'; the 'Homecoming Basketball Game'; 'School Spirit'; 'Armstrong's Contributions to the City'; 'Whoop it up, Armstrong'; and 'Get 'em, Geckees.' A lengthy discussion of these topics followed and the suggestion was made that the Senate consider the other business first and come back to this topic.

Mr. Nichols then asked for

permission to appoint a General Chairman of Homecoming and a Student Marshall for the Parade. The president was voted this permission by the Senate and he named Joanne Glover General Homecoming Chairman and Bill Lewis Student Marshall.

Miss Cowan then brought up the fact that Beta Lambda had already appointed Elsie Thorpe as Homecoming Chairman and she asked if the Senate had a right to appoint a General Chairman. A discussion followed and the suggestion was made that the Beta Lambda Chairman be known as the Chairman of the Homecoming Reception since the reception is all that Beta Lambda is concerned with.

Miss McGrady moved that the Senate appoint the General Homecoming Chairman and she accepted Mr. Bleakley's addition to the motion that any Club Chairman can

corporate with the General Chairman. In the discussion following the motion Mr. Becher brought out that an addition to the constitution would be necessary to grant the Student Senate the power to appoint the Homecoming Chairman. As a result Mr. Dolloff moved that the motion be tabled until the next meeting. This motion was carried.

Miss McGrady then made a motion that the President appoint a committee to straighten out the matter. The motion was passed and the following were appointed, Ralph Hess, Eleanor Goldberg, Kathleen Ryan, and Ralph Dolloff.

Next Miss Ryan made a motion that the chairmen of the different units of Homecoming let the Senate

Chairman kept four things in progressing. The motion was passed.

Mr. Dolgoff moved that a member of Beta Lambda be put on the committee to straighten out the argument. The motion was passed and Miss Cotton was appointed.

The Chairman of the Theme of the Parade was then brought up by Miss Cotton who made a request that the theme should deal with School Spirit.

"A Spirit Near for '32" was suggested by Miss Mc Grady and Sue Cunningham moved that the Senate accept it. The motion was carried and the meeting was adjourned.

January 16, 1952

The meeting was called to order by the president and the minutes were read and approved.

Mr. Ralph Heise was asked to report on the work of his committee to settle the question of how the various Homecoming chairmen are selected. He submitted the following suggestions:

(1) The general chairman shall be a sophomore elected by a ½ majority of the senate and shall receive 5 minor honor points

(2) The parade chairman shall be a sophomore elected by a ½ majority of the senate and shall receive 5 minor honor points.

(3) The publicity chairman shall be either freshman or sophomore and shall receive 5 minor honor points.

(4) The reception chairman shall be chosen by Beta Lambda and shall receive 5 minor honor points.

(5) The dance chairman shall be chosen by the dance committee and

shall receive 5 minor honor points.

A discussion followed the presentation of the proposal. Mr. Earl Waller then moved that the general chairman of Homecoming be given 7 minor honor points instead of 5. The motion was carried.

Mr. Heise then made the motion that a letter of congratulations be sent to Mr. Bill Bill for his management of the basketball team. This motion was carried.

Mr. Heise made another motion that someone make a speech at the next assembly about the lack of school spirit at Armstrong. The motion was carried and Mr. Nichols appointed Ralph Heise, Betty Johnson, Arthur Engelhart, and Eleanor Goldberg to serve on the committee.

Mr. Nichols read a letter from Mr. Howes about the stealing going on at Armstrong. A discussion followed and Jeanne Glover moved

that any cases of stealing be tried before this senate if we have that power. She accepted Mr. Heise's amendment that a joint session of senate and faculty be called in such a case and that the decision of the group be final. The motion as amended was passed.

Eleanor Goldberg moved that the Inkwell have a column on senate activities. It was suggested that the secretary write the column. The motion was carried.

Miss Goldberg next made a motion that the president find out if it is permissable the senate to sit in on the faculty meetings. Miriam Cowen proposed the amendment that the senate officers sit in on the meetings. Miss Goldberg accepted the amendment and the motion was carried.

The meeting was called to order by the president, Mr. Evans Nichols, and the minutes were read and approved. There was no old business.

Mr. Coleman and Miss Goldberg brought up the subject of the new lowered teen-age movie price. Miss Goldberg moved that the president find out how many older students are enrolled at Armstrong so that the benefit of the lowered price can be extended to college students. The motion was carried. It was brought out that the theater manager might approve the extension if there were not too many veterans and other older students enrolled.

The secretary then read a letter from Mr. Hawes requesting that the Senate recommend a date for Homecoming in 1952. Miss Cowan moved that the fall quarter be extended from the scheduled December 15, to Friday, December 17, and that

the Saturday - Monday traditional Homecoming celebration be retained. The motion was carried.

Since there was no further business, the meeting was adjourned.

February 27, 1952

The meeting was called to order by the senate president, Evans Nichols. The secretary read the minutes which were approved.

Mr. Nichols announced that progress was being made in the attempt at getting an extension of the teen-age movie price for Armstrong students. It was brought out that some students were already taking advantage of the lower price by using their student passes.

Concerning the matter of student representatives at the faculty meetings, the secretary reported that the faculty had asked for a clearer statement of the reasons for such representation. In the discussion that followed Mr. Ralph Heise brought out the point that most of the subjects considered at faculty meetings concern the students either directly or indirectly. On this basis a letter was written to the faculty.

When the president asked for new business, Mr. Heise suggested that

all senators contact their individual clubs and find out if the different clubs could sponsor an informal dance every other Friday. Miss Goldberg said that perhaps every third Friday would be better and added that the dances should be kept informal and that some type of entertainment be planned.

Next Mr. Nichols read a letter from M. P. Campbell, president of Brewton-Parker College. The letter concerned the fights at the B.-P.-I.— A. J. C. basketball game. After the letter was concluded, Mr. Heise, who had seen the game and the fights, gave his view of the subject. A heated discussion followed and several suggestions were made. Mr. Earl Waller and Mr. Heise agreed that a letter should be written to let Mr. Campbell know that we do not accept the facts of his letter. A second suggestion was that no more games be scheduled with B.P.I. Mr. Bill Lewis urged that a more thorough investigation be made of

the matter. Mr. Heise moved that a special senate meeting be called on the following Monday at 2:30 and that the AJC spectators and the basketball team be invited to testify at the meeting. This motion was carried. A second motion by Mr. Heise was that the president appoint a committee to see that the spectators, including Miss Thompson and Miss Crosby, and the team are present. Mr. Nichols appointed Heise, McGalliard, Johnson, and Hart on the committee.

The last business of the meeting was a letter introduced by the president; this letter called for a donation to adopt a child. A motion was passed that the matter be investigated, and introduced again at the next meeting.

As there was no further business, the meeting was adjourned.

This special meeting of the senate was called to order by the president who asked that Mr. Heise take charge. Miss Thompson, Miss Crolly, Mr. Bell, and Joe Sharpe were the spectators who showed up. The fights at the game were discussed and the letter from the president of BPI was read. It was a general feeling that Armstrong should not assume the blame for the incident since most of the responsibility should have fallen on Brewton-Parker. A motion was made by George Hart and seconded by Eleanor Goldberg that Armstrong drop BPI from all future A.C. basketball schedules. After a discussion the vote showed that the motion was not carried.

Ralph Dolgoff then moved that a letter be written to the BPI president pleading our cause and saying that we want to better relations between the two schools. Mr. Heise's amendment that a committee be formed to compose

the letter was accepted and the motion was passed. The committee formed consisted of Ralph Hess, Chairman, Ralph Dolgoff, Mary Ann McGrady, and George Hart who are to work with Miss Thompson and Miss Crolly.

This done, the meeting was adjourned.

After calling the meeting to order, senate president Evans Nichols introduced Mr. Hawes who spoke to the senate about the continuation or discontinuation of basketball at Armstrong. During his speech Mr. Hawes brought out the fact that lack of student interest in basketball has made it questionable whether the sport is worth the money put into it. The annual cost of the maintenance of the team is $700 rent on the Hellenic Center, $1300 travel expenses, and between $1000 - 1400 for athletic scholarships. The question that President Hawes put before the Senate was, "Should this money be spent in basketball where so few are involved, or should it be spent to enlarge and extend the intramural program and the P.E. courses?"

After this address the senate continued with its regular business. The minutes were read and approved. The secretary then read the letter that was written in

answer to Brewton-Parker's charges against Armstrong. Carl Miller moved that a vote of approval & appreciation be extended to the committee that wrote the letter. This motion was carried.

Next the senate president read the short reply to our letter which merely stated that our letter had been received at Brewton-Parker. Ralph Heise moved that any further action on the matter be postponed until the next Senate meeting. This motion was carried.

President Evans Nichols then asked for a report from the senators about the informal dances that are to be given by the individual clubs. Only five senators were prepared to speak for their clubs on the subject. Miriam Evans moved that several clubs, including one large one, combine and sponsor a dance every three weeks. The motion was passed. A tentative schedule was set up. The first in ...

to be given by the Marquers, the Co-Eds, and the Saggy Strutts; the second by the Beta Lambda, the Newman Club, and the Glee Club; the third by the Freshman Class and any small clubs who wish to help sponsor it. A motion was made by the Senate Secretary that the first dance be scheduled for Friday, April 25. The motion was carried.

When the president asked for new business, the subject of Mr. Howes address was brought up. Ralph first made the motion that any definite action on the question be postponed til our next meeting. This motion was carried. Mr. Nichols suggested that each senator discuss the matter at his club meeting. Dean Beecher stated that the faculty was to consider the same question the next day at its meeting and that a Senate recommendation to postpone action would be in order. Mr. Keller immediately moved that the Senate make such a recommendation, and the

motion was carried. Mr. Hess next made the motion that the Senate hear from Miss Morris and Mr. Bell, representatives of the athletic department. This motion was carried. The two I.F. instructors are scheduled to speak at the next meeting.

At this point in the meeting several senators left to attend lab classes and the business carried on was not official because of this fact. The measures must be reintroduced at the next meeting.

The president, Evans Nichols, called the meeting to order and then introduced Mr. William Bell, Armstrong's coach and P.E. instructor who spoke on the question of discontinuing basketball. He brought out in his address the fact that athletic scholarships were definitely cut off and therefore basketball played at Armstrong in the future would be strictly on an intramural level. According to Mr. Bell basketball is the greatest means to obtain publicity that the college has, and that it is the only connection between the alumni and the school. When Miss Dorothy Morris was called upon for her statement, she revealed that the money spent on basketball would not go toward the intramural program. Miss Morris stated that the lack of space at Armstrong makes it impossible to add to the intramural program. Said that the Senate's decision on the question of whether basketball is worth the money will carry a lot of

weight with the faculty.

After these addresses the Senate continued with its regular business. The minutes were approved as read. The question about Braxton-Parker was raised and the president said that he had heard no further word from them.

Then a discussion of the basketball issue was in order. Several senators brought out that the students are indifferent to the subject. Arthur Ingmilliat was of the opinion that expenses would be cut if Armstrong played amateur teams. After the question had been argued back and forth for quite a while, Ralph Hesse moved that we abolish the basketball team. He asked for a vote by secret ballot. The motion was passed by a count of 7-6. Mr. Ingmilliat then made a motion that this count be included in the Senate's recommendation to the faculty. The motion was carried. Since the hour was about up, the president

announced that a special meeting would be held the following day to consider the remaining measures. The meeting was then adjourned.

The special meeting was called to order by the president at 1:30. Mr. Nichols brought up the subject of Open House. Ralph Heise made a motion that a board of directors be set up for Open House. The motion was carried, and the president called for volunteers. They were Eleanor Goldberg, Heise, Jeanne Glover, George Hart, Betty Johnson, Sandra Hart, Sue Cunningham, Charlotte McClelland, Ralph Floyd, and Warren Nichols. Mr. Nichols directed the board to set up a decorating committee and a guide committee. The Co-Eds and the Stick Chicks volunteered to write the invitations to Open House.

Next the Senate president ~~introduced~~ introduced the idea of a new Armstrong address book similar to the one that was put out by Delta Chi Sorority last year. Eleanor Goldberg made a motion that the Senate sponsor the publishing of the address book this year. This motion was passed and the volunteers for this project were

Eleanor Goldberg, Bill Lewis, Jeanne Glover, and Sara Goodman.

Next Mr. Lewis moved that the Senate take the project of remodeling the "A" Book. This motion was carried and the volunteers were Ralph Heise, Evrane Nickols, Eleanor Goldberg, Betty Johnson, Sue Cunningham, Sandra Hart, Earl Keller, and Charlotte McClelland.

Then the president asked the secretary to read a letter from Midwestern College. This letter invited Armstrong to send delegates to a convention that will hold a discussion of N. A. T. O. In the discussion of the matter the fact was brought out that no one has the time to attend such a convention. Sue Cunningham's motion that the Senate drop the matter was carried.

Ralph Heise made the motion that Armstrong break off relations with Brenton-Esher and that a letter be written informing them of the break. A discussion followed and the vote showed that the motion was passed.

Next Mr. Heise asked for a clarification

of the procedure carried out when a student is seen cheating. This procedure was explained and Mr. Heise revealed that he ~~was monitoring~~ had seen four persons cheat on the test that morning. He was urged by other senators to prepare to carry out the procedure against the violators of our honor system. Mr. Heise agreed.

Since there was no further business the meeting was adjourned.

The meeting was called to order at 1:30 by Evans Nichols. The minutes were read and one correction was made. Eleanor Goldberg stated that her motion that the Senate publish the address book was meant to include all future years, not only this year.

The address book committee reported that no progress had been made thus far. The "A" Book committee reported that it had met twice and that note had been taken of all points that were to be changed and that up-to-date additions were made.

Earl Waller moved that money from the Senate Treasury be spent to finance the publishing of the "A" Book. This motion was carried.

Evans Nichols announced that the Open House Board of Directors would meet with the faculty on Monday, May 12 at o'clock in the faculty room.

Eleanor Goldberg brought up the subject of records for the informal dances. During the discussion of the issue it was pointed out that several of the records borrowed for the last dance had disappeared. Miss Goldberg moved that the Senate buy 15 good dance records for the informal dances. It was specified that the records be kept under lock and key between dances. The motion was carried.

There was no further business and Ralph Dolgoff moved that the meeting be closed. This motion was carried and the meeting was adjourned.

The first meeting of the Student Senate for the year, 1952-1953 was held on October 29, 1952 at 11:30 A.M. in the auditorium. The president, Molly Barnhardt, called the meeting to order.

The first business was to elect a secretary and a treasurer. Nominations were made, and the election held. Jean Bolen was elected secretary, and Arthur Signalleat was made treasurer.

The only other business brought up was the fact that the Senate would have to act on a case of supposed violation of the honor system on Friday, Oct. 30. The president explained to those present that the decision made by the Senate would be weighed heavily by the faculty committee. However, all the Senate could is make a recommendation. Miss Jean Bolen, who is a member of the class in which the violation occurred, told the Senate that the class had requested that she not be present at the meeting on Friday October 30, 1952. The Senate followed with much discussion - most of which told Jean

to attend the meeting if she thought best, not to abide by a class's decision.

Since there was no further business, the meeting was adjourned.

The Student Senate was called to order on October 30, 1952 at 11:30 in the Faculty Room in the Hunt Building by the President, Molly Barnhardt.

The meeting today was held to act on a supposed violation of the Honor System. Miss Barnhardt explained that the decision the Senate makes is only a recommendation to the faculty committee and is not final.

Miss Thompson presented the evidence which was two identical test papers on personal experiences. The answers were supposed to be drawn from experiences in the individual's life. Since Miss Thompson was not present on the day the test was administered, she had no other evidence. Betty Stanfield, who gave the test, said she noted nothing in the class unusual - so Miss Thompson quoted her as Betty Stanfield was not present.

The two boys gave their testimonies, and left the room with Miss Thompson. Open discussion was held.

Ronald Coleman made a motion that the case be dropped on lack of evidence. Dewey Mosher seconded it. The question

was called for by Jean Boles. A vote was taken to decide whether to vote by secret ballot or show of hand. The decision was to vote by secret ballot. The results of the voting were 9-8 in favor of dropping the case. One person did not vote. Johnny Lamberston and Tom Parker were acquitted.

Miss Barnhardt requested that the secretary send a letter to Mr. Hawes telling him what happened at the meeting, and the results.

Since there was no further business, the meeting was adjorned.

November 5, 1952

The meeting was called to order by the President, Molly Barnhardt. The roll was called.

The first business on the agenda was the drinking at the last dance, and the smoking in the buildings. The faculty and Mr. Hawes asked that the Senate do something concerning this. A motion was made by Arthur Signalliatt that if any person is seen violating the rule of drinking intoxicating beverages on school property, he will be reported to the Senate who will in turn, recommend his dismissal from school. This was seconded by Ed McKenzie. The motion was unanimously accepted. Jackie Stokes, who is chairman of the Dance Committee, brought it up, because Mr. Hawes had talked to him in a conference concerning the conduct at dances.

Publicity on this was expanded. Betty Johnson brought up that an article should be put in the "Inkwell" concerning the happenings at the Student Senate. This is already being done, as Jean Boles the Editor stated. This is not the only way that this new regulation will be advertised. It must

be announced at assembly, at dance, and also the representatives should take it back to the clubs.

The Dance Committee encouraged clubs to sponsor dances but reminded them that all dances have to come through the committee.

Jack Golden asked about the representatives of each club If the club has 40 members or more, the president said, it may have two representatives.

The president stressed the importance of Student Senate, and said that all clubs should be represented at every meeting. All members should have alternates.

Sandra Hart asked about Homecoming plans. Everything is settled except parade. There will not be a parade unless everyone works to make it a good one The game and possibly a parade will be on Dec. 20, 1952 and the reception and dance will be on Dec 22, 1952.

The Treasurer reported that he has worked out a tentative budget, and will present it at next meeting after he has checked with business office

At the dance to be Held Friday Nov. 9 - everyone should try to reason with anyone indulging in alcoholic beverages Also be sure to talk to clubs and try to get them to sponsor a dance after the basketball games.

There will be a meeting week after next. There was no further business, so the meeting adjourned

November 20, 1952

The Student Senate met on Nov. 20, 1952 in the Union Building at 11:30 A.M. The meeting was called to order by the president, Molly Barnhardt.

The roll was called. Sixteen clubs were represented, with twenty-two people present.

A hearty welcome was extended to our vice-president, Bobby Thigpen, newly elected president of the Freshman class, and to Joe Rice, and Joanne Dewberry, student representatives of the Freshman class.

Next on the agenda, Homecoming plans were discussed. Each representative is to go back to his club and have them vote whether or not they want a parade, and will garantee a float. We are not going to have the parade unless we can have a good one. A motion was made by Freddie Stokes, that we wait until the next meeting to decide about the parade, in order that each representative might get the reactions of their clubs, and a definite decision. This motion was seconded, and carried.

Freddie Stokes, chairman of the Dance Committee, will be head of the dance at

homecoming along with his committee. Mary Credit, president of Beta Lambda, will with her club, be in charge of the reception. The Freshman class will take care of the election of a king and queen, and buy their gifts, flowers, and other incidentals concerning this phase of the celebration.

An election was held to name the General Chairman of Homecoming. The nominees were Jean Bolin and Arthur Gignilliat. Arthur Gignillait is the General chairman.

The Glee Club will probably be asked to sing at the reception.

Betty Johnson brought up the revision of the "I" book. However, the president felt that we should wait about this until after homecoming. The Senate approved this.

Arthur Gignilliat, treasurer, gave his tentative budget which read as follows, appropriating the $3,500.00:

Rec'd Last Year	Request	Recommend	Club
$500.00	$500.00	$500.00	Dance Com.
$2000.00	$2200.00	$2175.00	Beechea
$275.00	$300.00	$275.00	Inkwell
$250.00	$650.00	350.00	Mercury
$25.00	$25.00	$25.00	Masquers

Rec'd last Year	Request	Recommend	Club
$25.00	$100.00	$75 ~~$100~~	Glee Club
$100.00	$100.00	$100.00	Athletics

He asked if their were any things to be changed or anything to be said. Jean Bolin said that she was not sure that $75.00 would do for the Inkwell, however that if she ran a little over that there was a surplus for emergencies. Mary Sullivan asked if the Mercury could solicit ads since their portion allotted to them had been cut. Betty Johnson pointed out that this would be in competition with the Beecher, and would actually hurt both publications if we worry businessmen too much. Jean Bolin suggested that the Mercury look into the matter of printing their book like the Inkwell is put out. Mary said that she would hold off her question until the next meeting and see about this.

The model invitation for Homecoming was passed around, and everyone liked it, so the invitation committee will have them printed in like manner.

We discussed briefly the fact that we must have a theme for Homecoming. Everyone is to bring in suggestions next time we meet, on Nov. 26, 1952.

Jean Bolen brought up the question of the attitude toward the Senate by some member of the faculty and some students. "We can't do anything about this except run the Senate as forcibly as possible," so the president stated. In January when everyone registers for the winter Quarter, everyone will be asked to sign the Honor System Regulation which will help clear up some of the disturbance.

Someone asked about the procedure for turning in names for cheating. Miss Barnhardt explained this.

A motion was made that we adjourn, this was seconded, and carried.

The Student Senate was called to order by our president Molly Barnhardt in the faculty room of the Hunt Building at 11:30 A.M. on Nov. 26, 1952.

The first business on the table was the question of having a parade or not. Our president said that naturally the decision lay in the number of floats. The number we set was ten. After the roll call, these clubs said they would have floats - a bare minimum: (Naturally there are other possibilities) Masquers and Radio Workshop, Glee Club, Newman Club, Publications - Inkwell, Mercury, and Feeder, Beta Lambda, Girl's Intramurals, Basketball Team, Dance Committee, Alpha Eta Beta Sorority, and Delta Chi Sorority.

A vote was taken on the question. The decision was have a parade. Every club must participate - to have bare minimum number of floats. If any one of them drops out or fails to come through with a float - no parade will result.

Bobby Thigpen was unanimously elected Parade Marshall.

Mr. Thigpen asked about the first

man class responsibilities at dance. These were clarified for him. They are to buy the gifts, flowers, etc, but not pay for band and dance.

A theme was discussed. The themes suggested for last year were read by the secretary from last year's minutes. Suggestions were made. Some of these were "AJC in '53" "H.S.U—we love you," "Armstrong-nifty 53 in '53", and Increase your knowledge at Armstrong College" Jean Bolen suggested using a freedom theme, or tie it in with one of those suggested. Arthur Gignilliat made a motion that we accept "Increase your knowledge at Armstrong College." This was accepted.

Miss Bernhardt said that trucks for the floats will be gotten from Hartigulf

Julian Tedman asked for permission to form a music appreciation club. Molly Read from the "C" from the things that have to be done to be accepted by State. This will be done at next meeting.

Bobby Thigpen, vice president, closed the meeting.

Mary Reid, chairman of the reception committee said that she needed help on the food, and for everyone to take this back to their clubs - an appeal for help to feed the thousand expected at the reception.

Sandra Hertz asked if there was any limit to the money to be spent for the individual floats. A discussion followed. This matter was dropped.

There was no other business, and the meeting was adjourned.

Ed Lease, chrman of Pioneer Week Committee, reported that the fines for not abiding by rules of Pioneer week will be paid to the boy, R Burdal, burned at Christmas. A solution as to where to have Kangaroo court was made — 11:30 A.M. Everyday it will be held in front of Armstrong. The regulations will be made up by Ed and his committee appointed by the president, after a motion made by Mr. Gignilliat was passed for this move. The Student Senate of Armstrong College met in the faculty room of Hunt at 11:30. The president called the meeting to order. The roll was taken. The minutes were not read.

The old business, concerning Open House, was discussed. Guides are needed and the Senate was urged by the president, Molly Barnhardt to assist in this service even if they are busy.

New business followed. Al Tench asked about money for intramural clubs for parties. The treasurer said that there was no money alotted for such matters. Dues are the only way to raise such money, since any money making project brings only 2/3's of it to the club - one third has to go to Armstrong.

Betty Burriss said the Mercury needs $10 desperately. The treasurer will look into it and let them know at the next meeting.

Arthur Gignilliat, Jr. said that Mr. Haines wanted the Senate to formulate an Interim Committee such as met before school opened last fall. This committee will present news and descriptions of activities at first assembly. This will start clubs sooner, and the Senate. Also the Sophomore class can elect it officers

sooner. The motion for such a committee with such purposes was passed. The five freshmen on the Senate will make up this committee, and elect other representatives from the other organizations. These people are Joanne Dunbeny, Jane Edenfield, Bobby Thigpen, Anne Perkins, and Julian Fieldman.

Bobby Thigpen urged the Dance Committee to publisize dances better and sooner. He spoke representing the opinions of many students. The Dance Committee explained several of their difficulties, and said that they would try to set dates sooner. Someone suggested setting up a fuller schedule of dates. This was talked down as highly unfavorable. Conflicts will just exist no matter what and have to be straightened out as we meet them.

There was no further business so the Senate adjorned.

May 26, 1953

The last regular meeting of the Student Senate of 1952-53 was held at 11:30 A.M. in the Faculty Room of the Hunt Building. The president called the meeting to order.

The secretary called the roll, and read the minutes of the last meeting, May 6. These were approved as read.

Old Business was discussed. Barbara Laving submitted two charters to the Senate. One is for clubs wanting membership or recognition by Senate — a petition to submit to the Senate constitution & requirements for membership. The other is the Charter to give to the clubs after they have been recognized. These forms were accepted unanimously by Senate.

Ed Rease collected $11.00 during Politics Week for fines. He will turn it over to Ray Burdsal Fund in the name of the Armstrong Student Senate.

Next on the agenda was the New Business. Sandra Hart made a motion to the effect of Robbie Carter's statement. People who want silver R, a second time, will be recognized at luncheon, but not given a second R. [illegible]

Medley, President of Senate, congratulated the

Senate to one of the most outstanding Senates in the history of Armstrong. Much has been accomplished this year. The Senate will disband after this meeting, and the Interim Committee will take over until the Senate forms in fall.

Oct. 27, 1952

The first meeting of the 1953 Student Senate was called to order by the new president, George Batayias, in the faculty Room. Immediately, the other officers were elected. They are; Secretary, Jane Edgfield and Treasurer, Ann Perkins.

When new business was called for, the constitutions of two organizations were presented and asked for recognition by the Senate as functions of Armstrong. Bob Thigpen presented Fraternity X and the other organization, the Veteran's Club was brought up by Jim Keyhoe. These organizations will be referred to the various clubs and voted on at the next Senate meeting.

The budget for the coming year was then discussed and it was decided, after a suggestion by Ann Perkins, that each club present a written, evaluated statement of amount requested and why.

The president brought up the problem of enforcing our honor system. A motion was made and passed that a committee be appointed to plan an assembly for this purpose. The committee consisted of Ann Perkins, Julian Friedman and Bob Higgs.

After a proposal by Jane Edefield that we investigate and improve the way school clubs are functioning, since this determines school spirit, a committee was appointed with her serving as chairman, and including Jean Sanders and Bill Smith.

A motion was made and passed that we investigate the handling of school books since they have been changed so frequently. A committee with Bob Higgs, as chairman, and Janette Jones and Joanne Duxbury was appointed.

Jim Mosby was appointed chairman of Homecoming and

instructed to see about changing the date since many of the Alumni have complained about it being so early.

Jolene Dewberry suggested that we open Senate meetings and assemblies with the Lords Prayer. Much discussion followed and several motions were defeated. It was finally decided that we elect a Senate Chaplin and discuss the matter of Prayer in assemblies with Mr. Edwards, since this is out of our jurisdiction. Miss Dewberry was elected Chaplin.

The meeting was then adjourned.

November 11, 1952

The meeting was called to order by President Batayas at 11:30 in the Faculty room of the Hunt Building. The minutes were read and approved. Jim Moody immediately resigned as Homecoming Chairman since he had been appointed rather than elected which is the procedure used in the past. A Homecoming Committee consisting of Jim Kehoe, Betty Morelis, Jackie Cook and Jim Moody, was appointed and from these, the Senate elected Jim Moody Chairman.

President Hawes visited the Senate and spoke for a few minutes on the purpose and powers of the Student Senate, stressing again and again that we do have power and must use it. He said we could and should be the strongest body of the school. He listed our powers as follows:

1. Complete control of student activities and power to give or withdraw charters.
2. Budget money allotted to clubs.
3. Interpretation of student opinion
4. Honor court.

Mr Hawes urged each of us to feel free to come and talk with him at any time. In doing he asked us to consider several questions:

1. If an agenda, containing important matters to be considered at coming meeting, would be helpful if mailed to senators preceding the meeting —
2. If we want a faculty advisor —
3. If we want to change the Homecoming date —
4. If we will have a Homecoming Parade, urging not to, unless it was exceptionally good.

George then asked for old business. The Senate voted to accept Fraternity X and the Veteran's Club. These will now be referred to the faculty before the charters can be granted.

The requests for money allotments were tushed in and a Budget Committe consisting of Ann Perkins as Chairman, Jean Le Roy and Julian Fyfe-Jamieson.

Upon the request of Pat Thigpen for a freshman on the book committee, Henry Bartlett was appointed.

Ann Perkins reported that the Assembly will be put forward.

Joanne Dewberry said that the Honors will be the Morning Board about prayer at assemblies.

The Tennis Club requested a charter from the Senate.

Julian Friedman presented the petition and it will be carried back to the clubs.

The Secretary stressed the importance of attending Senate meetings. She said that a roll will be called each time and after three unexcused absences, a Senator will be replaced.

After a question raised by Miss Perkins, there was much discussion and confusion about actual representation and voting in Senate. After consulting the "A" Book it was decided that:

1. Only Senate members can vote
2. That only the editors can represent the publications
3. With the exception of the publications, the representatives should be elected rather than appointed.

We voted to amend the Constitution to the extent that only one club can be represented by each Senator.

Jane Edenfield asked for all clubs to turn in their Constitutions in to her for clearance by the Investigating Committee.

Jeannette Jones urged that we enforce the law that all clubs having money making projects bring Budget sheets to school. Pay 1/3 profits to school.

Homecoming was discussed and it was decided that we keep the date as it is.

Jim Woody asked for ideas for theme and that each club be asked about entering a float in the parade.

The meeting was then adjourned.

November 22, 1953

The meeting of this date was called to order and the minutes were read. The first business on the agenda was the report of the Budget Com. by Ann Perkins, Treasurer. The report stated that money for the Glee Club, Masquers, and Athletic Committee will come out of the general fund. She explained the reasons for the differences in the various amounts. The budget could not be ratified at this meeting since there was no three-fourths majority.

Bob Higgins reported on the committee's efforts to reduce the frequent changes in text books, after consulting Mr. Hawes and the Dean's list. According to Mr. Higgins, the faculty would probably support the Senate in keeping the same books for perhaps 3 years. He also suggested that the book store might operate a second-hand shop. It seems that the book store sells

books at retail prices - who gets the profits ???

Homecoming was then discussed. Bill Scarbrough and Jackie Cook were elected Parade Marshal and Chairman of the reception, respectfully. Jane Edenfield told Bill the dates of the Freshman Class at the Dance. The question of the parade theme was posed and several suggestions were made although none were definitely decided on. They were "Armstrong - Leg of Tomorrow, Pride of Today," "It Pays to be an Armstrong Duckie," "We 2 Pi is 5%," and "The Future of Armstrong Depends on You."

The possibility of having a band in the parade was discussed and several people were appointed to look into this. The Riding Club is to see about horses and it was suggested that the Faculty and Alumni be asked to enter floats.

A committee on invitations was appointed with Marlene Roark as Chairman and Cathy Faulkner

and Seasonal Selection.

The Chair announced that the faculty advisors for Homecoming are; Parade, Mr Padgett; Dance, Mr Cash; and Reception, Mrs Mathis.

Since this was the last Senate Meeting of the year we decided to have a called meeting at 12:00 on November 30 to settle fine points of Homecoming.

The meeting was then adjourned.

Respectfully submitted,

Called Meeting

November 30

As decided on November 25, a called meeting of the Senate was held at 12:00 on November 30, the pressing issue being homecoming.

The election of a theme was first to be decided and after a suggestion from Jim Mosby, we voted to use, "Savannah — Yours Today, Ours Tomorrow."

Several of the floats were still undefinite, the Rangerettes being the only club officially dropping out. We were urged to continue our plans and work for success so that the parade would be a good one. The meeting was then adjourned.

The meeting of January 6 was called to order by the president. The minutes were read and a correction made.

The prominent old business was that concerning the Senate assembly scheduled for January 27. There was much discussion on the necessity of the assembly and doubt as to how it could be carried out. It was suggested that it be not only on the Honor System, but that we deviate from that original purpose and emphasize the power of the Senate. It was moved and passed that we have it. Ann Perkins is Chairman, and asked that we all be ready and willing to help with this huge undertaking.

The meeting was short since the pictures were taken previous to it.

Miss Ruth Daniels was elected general chairman and a committee of four was appointed to serve with her. This committee consisted of Katherine Walker, Lucie Butler, Liz Morris and Susannah Robertson.

Pioneer Week was then discussed. The minutes concerning last years ~~wase~~ were read after which we voted to hold it this year also. However, instead of an entire week, it was decided to have Pioneer Days, instead on April 28th-30th. Jim Reeve was elected chairman and he is to get his own committee.

The meeting was then adjourned,

The meeting was called to order by the president! The Chaplin led in prayer and the minutes were read corrected.

Ruth Daniels, at the call for old business, asked that three members be added to the Open House Committee. They are Jackie Cook, Mary Foughnet, and Jayne Allen. Each of these, along with the previous members will head a sub-committee along with a faculty member. The sub-committees are:

Refreshments - Jackie Cook

May 26

The last meeting of the quarter was called to order by the president and the Chaplain led the Senate in prayer, following the minutes and roll-call.

Upon the call for old business, Mickey Greenfield moved that the Debate Forum be accepted into the Senate and granted a charter. It was passed.

Since this was the last meeting, President Balayias appointed the Interim Committee for next fall. Since the A Book calls for the old Freshmen officers, plus additional members necessary to make seven, on this Committee, Bill Scarbrough, Tommy Long, Tommy Strozier, Henry Ballitt, Mickey Greenfield, Lloyd Adams, and Mary Houghner compose this committee. Mickey Greenfield is Chairman.

In regard to the Interim Committee, Jane Edenfield moved that it have the power to

to plan the first dance (informal, honoring Freshmen) since at that time the Dance Committee is inactive. This was passed. She also suggested that the Dance Committee be composed of an elected representative from each club, as stated in the A Book, since the Committee did not function to well this past year due to lack of members. This was put into the form of a motion and passed.

Henry Bartlett suggested that the Homecoming Dance be placed in the original week before Christmas, since the new time did not work well this year. The Senate was informed that these measures had already been taken.

It was also suggested that William O'Hayes's name be taken out of the A Book (Welcome) since he is the person who he is anyway.

The remainder and perhaps majority of the meeting was filled with discussions on improving our school, including the realized mistakes of the past year and advice to the present Freshmen. Ann Perkins suggested that the Senate play a more important part in school activities and be a guiding hand to the Freshmen with planned agenda etc. Several other ways were suggested, that this could be accomplished, and were as follows:

1. Heated elections, with political campaigns, thus increasing interest and school spirit.

2. That Clubs and classes have power of impeachment

3. That the A Book be followed regarding membership in Senate - taking definite

steps to dismiss members from Senate for unexcused absences.

4. That we enforce the Honor System, because cheating definately aint on this year, but remembering to encourage students to do right, rather than punish them.

The meeting was adjourned with a spirit of determination among the Freshmen, to right the wrongs next year.

November 10, 1954

The first meeting of the Student Senate for the year, 1954-1955 was held on November 10 in the Faculty Meeting room in the Hunt Building. The meeting was called to order by Mickey Greenfield, chairman of the Interim Committee. Mr. Greenfield introduced Mr. Hauser who spoke briefly to the senators on the purpose, power, duties, and obligations of the Student Senate. He also urged that plans for the Homecoming activities begin and that we elect the committee chairmen of Homecoming. Mr. Hauser announced that while the phonograph in the Dump was being repaired he had approved the placing of a juke-box in the Dump. He then introduced Mr. Harry Perisse as Faculty Chairman of Homecoming activities.

Mr. Greenfield called for the election of the remaining officers of the Senate. The following were elected: Chaplin Lois McKethan, Secretary Eva Karatassos, and Treasurer Will Ray Hinely.

The meeting was turned over to

Harmon Leigler, president of the Sophomore class, and of the Senate, who officially declared the Student Senate meeting open.

The election of the Homecoming chairmen followed. Those elected were: Genral Chairman of Homecoming, Mickey Greenfield; Parade Chairm, Harmon Ziegler; and Dance Chairman Kyler Craven.

Mr. Persse made a request for ushers for the concerts Thursday and for future concerts held by the Savannah Symphony and the Altrut series. After much discussion on the problem of obtaining enough ushers for the concerts a motion was made by Bill Smith and seconded by that Eva Kanatassos be elected to be responsible for securing the ushers. The motion was passed. Mr. Craven suggested that we advertise the concerts in order to interest people in ushering.

The theme for the Homecoming parade was decided to be "Our Georgia Heritage" after a motion was made by Lois McLellan and passed by the other members of the Senate.

President Leigler turned the meeting over to Vice President Craven in order to be able to put his ideas on the Homecoming Parade into a form of a motion. The motion was as follows: That we change the rule of having a minimum of ten floats in the Homecoming Parade to eight, in order to have fewer and better floats. Also that the clubs participating in the Homecoming Parade combined into groups and each group assigned a float to work on together. This would permit each float to receive a larger amount of the $25.00 allotted for the parade. The motion was voted on and passed. The meeting was then turned back over to Mr Leigler.

An amendement was made by Miss McLellan to the motion stating that if a club has a sufficient reason for wanting a float for own it would be guaranteed money to work with. Lloyd Adams made a motion, which was seconded and passed, that we table the amendment until the next meeting.

The subject of the Terrigin Club and the Turtle Diner being recongized officially

was brought up by Bill Smith but was tabled until the next meeting because of the lack of time. The meeting was adjourned.

The meeting was called to order by the president Mr. Ziegler. The minutes were read and approved.
Old business:

Mr. Ziegler read a letter from Mr. Steve Kutchey stating that the Lannam Post Band would play in our Homecoming Parade. A letter was to be written by Mr. Haver to invite the Marine Band to also play for the Parade. Chis Russel, senator from the Newman Club, read a letter from his club saying that they would like to have a float by themselves in the parade as it was against the constitution of the Newman Club to have one with another religious club. This permission was granted.

New business:

Mr. Bernie Hirsch presented two articles to the senate to be approved. The one that was passed was article I section I, attendance to class assembly meetings be compulsary to

all except veteran. This article is to be presented to the students for vote.

Mr. Perse mentioned that no organization had the right to call an official meeting without the permission of the activities committee.

Nancy Cochran asked that the Glee Club be recognized officially and its members receive loyalty points. Mr. Greenfield suggested that the Glee Club first present a constitution to the Senate for approval. Mr. Perse suggested that the "A" book be rewritten in order to include some of the organizations and activities that may have been left out.

It was also brought that if a member of the Senate was absent from three meetings without an excuse he would be impeached.

Mr. Perse said that we would be able to invite Miss Hanson to Assembly to deliver a talk to the students. Lloyd Adams was put in charge. There being no other business the meeting was adjourned.

Don Fallin explained that the purpose of the course was to teach people how to lead a meeting etc... Bill Smith and Rowland Seckinger volunteered to take the course.

Pres. Zeigler stated that the Homecoming had been a success and thanked everyone who had helped to make it so. It was suggested that Miss McKethan, our chaplain, start the Senate meeting with a prayer. It was also stated that Armstrong is expected to help with the Junior Chamber of Commerce basket ball tournament.

Bill Ray Hinely presented the old

and new budgets for last year and this year. After a little discussion a motion was made by Lloyd Adams and seconded by James E. Johnson that we approve the budget as presented. It was passed.

Lois McKethan announced that the contestants for the Beauty review must be entered by January 21. All clubs and organizations are entitled to one contestant. Miss McKethan also suggested that the students vote on the queen as usual and let the judges vote on the top eight of these. The suggestion was passed.

Mr. Hawes requested the opinion of the Senate on various matters concerning the future plans of Homecoming. They are as follow: Whether or not to continue the Homecoming Parade and Basketball game; to combine the Homecoming reception and dance - to be held in a larger hall room instead of having them separate. The senators were asked to consider

these questions and decide on them at the next meeting. After the meeting was adjourned.

The meeting was called to order by Pres Harmon Ziegler. The minutes were read and approved.

Mr. Ziegler presented three proposals for the Senate to discuss and approve. They are as follows:

1. Whether or not to continue the Homecomer Parade.
2. To combine the H.C. Reception and dance and then have a much bigger and more formal affair with invitations being sent out etc....

with the parade.

The second issue was passed. After a little discussion on the Sophomore - Alumni Banquet the Senate voted that we continue the banquet. As for the awards it was passed that we have them presented at an assembly or Commencement.

The meeting of the Student Senate was called to order by President, Harmon Ziegler who recognized Miss Jayne Allen, representing the cheerleaders. Miss Allen questioned the mixup concerning the Senate meeting day, which was scheduled to be given over to the cheerleaders for a "pep" rally, and was called, at the last minute, despite of this fact. This was done without notifying the cheerleaders and thus causing a lot of confusion and misunderstanding. President Ziegler apologized for not having informed the cheerleaders and explained that the reason the "pep" rally was cancelled was because he and Coach Bell felt that if Armstrong won that night then there could be one held on Thursday.

This confusion brought about the formation of an Activities Committee which would take the responsibility of scheduling all future

meetings of the various clubs etc...
There was a motion put forth by
Bill Fuhrman and passed by the
Senate. On the committee will
be Harmon Ziegler and Mr. Pierce
plus two other senators Tommy
Scott and Terri Yaron.

President Ziegler also listed
a few more changes in the "A"
book. There being no other business

The meeting was called to order by the President, M. Ziegler. The minutes were read and approved.

M. Ziegler recognized M. Green, who had brought charges against two pupils whom he caught cheating on an exam in class. M. Green stated that he wished to withdraw the charges previously made explaining that after further investigation it was found that the persons accused did not have any dishonest intentions in mind.

Old Business:

Mickey Greenfield restated his motion made at the past meeting for the senate to vote on. The motion was: "that we set the revision of the "A" Book to go into effect last September." There benefitting those who made the revisions. The motion was seconded and passed.

On the subject of the enforcement

of the Honor System it was decided that we have an assembly in order to explain the functions of the Honor System. The assembly committee will be as follows: Bill Fuhrman, who will make a speech on the subject, Rowland Dickenger, Mary Foughner, and Harmon Zeigler.

New Business:

. Bill Smith presented the senate with a letter the subject of which was the officialization of the Justle Jesses, which before was published only as a publication of the Jessing Club. There was much discussion on the subject. A main issue was the type of literature, that according to the letter, would be "published in said news paper" with the discretion of the editor. Questions were brought up that in a few years from now we would not know who would be in charge of the papers. Also the facts that we already have one

very good publication being published
officially, why have two? It was
finally decided that the Seattle
Times would be made the official
newspaper of the Jennyjinx Club.
There being no other business
the meeting was adjourned.

The meeting was called to order by the President. The minutes were read and approved. President Ziegler announced that the science fair would be held at Armstrong this year and that we are to provide fifty guides for the visitors. The Seniors and the Sophs each volunteered ten of their members. It was put into a motion by Pres. Ziegler that each club provide two guides to take care of the remaining thirty guides needed. This motion was passed. Mr. Ziegler also brought up the question of whether or not to continue having Open House. He stated that the teachers felt that we should have the science fair and leave off Open House. The senators thought this over and decided that we would continue having Open House because they felt that it was the only time which we had to show off what we had

done ourselves. President Ziegler asked the senate to give him permission to make the few final technical revisions in the "A" book so that it could be sent to the printers as soon as possible. He was granted this permission. Bill Smith asked the senate to give the Lampion permission to institute their newspaper the Castle Times to the students at Armstrong. It was to the letter passed that we add an amendment to institute their paper. It was explained that the meeting was held on Monday instead of the regular day Wednesday because there was to be an assembly on Wednesday. Rowland Seckinger made a motion that the meeting be adjourned it was seconded and passed.

The meeting of the Student Senate was called to order by its president. The minutes were read and approved.

Mrs. Busse, representing the faculty asked the senate to ~~recommend~~ reconsider the continuation of Open House. The faculty felt that because of the ~~science~~ fair being held here this year we would have too many things to do and not enough time for them. Some of the things scheduled besides the Science Fair would be Pioneer Week, the musical, and Exams. The only time we would have would be the last week in April and the month of May. There was much discussion on the matter pro and con. A motion was made by Mary Faagler to continue having Open House for this year plus the Science Fair. It was seconded and passed. The feeling being that the Science Fair

did not represent Armstrong and Open House was our way of showing the public what we do at Armstrong.

New Business:

Bernie Hirsch brought up a question about the students on the system of grading at Armstrong. He said that at Armstrong we receive only the A+" A B C D but do not receive any of the other pluses or minuses with any of the other letters which could cause a change in grades. President Ziegler appointed Mr. Hirsch to investigate the matter further with the faculty.

A committee was appointed for Open House — William Ray Hively, chairman; Nancy Wickham, Tommy Loughner, Keith Cowart and Mary Loughner. This committee is to select a date for Open House. A committee was also picked for Pioneer week — May 11, 12, 13, they are as follows Bernie Hirsch, Don Fuller, Bill Smith, Jane Bland, and Danny Conner. The motion, Ken Delpech seconded, was then adjourned. Eva Dunaway

The meeting was called to order by the President. The minutes were read and approved.

Mrs Ledger recognized Mr. Logue who spoke to the Senate and gave the following reasons as to why we shouldn't have an Open House.

1. That we have lost too much class time. and the teacher felt that we could not afford to lose any more time.
2. The Science Fair has already brought many visitors to Armstrong.
3. No time for planning.
4. No money.

A motion was made by Lloyd Adams that we do away with Open House for this year. It was seconded and passed.

It was brought up that the motion made by Mickey Greenfield (at a past meeting) concerning the "A" Book would have to be changed by Mr. Hawk.

A report was made by the

Pioneer Week committee. Don Fallin read the rules for that week and they were discussed and approved.

President Ziegler made read two recomendations made by Bill ~~Smith~~ Fehrman. The following one was passed. That President Haven be asked to make a public reply at assembly to the suggestions planced in the suggestion box.

The president moved the new "A" book to the senate. It was approved.

Bill Turkman made a report on his motion. Mr. Hawes told Mr. Turkman that he answered all suggestions that were he could at assembly - but that the suggestions made did not always have a possible answer or they had no name on them to which an answer could be sent.

Mr. Hirsch reported that he was checking on the grading system of other colleges as compared to ours. but that nothing was definite yet.

The new Action Committee was elected - Rowland Sekanger,

Chairman; Eleanore Rusling; and Ann Hall. These students will start things going again in the fall.

In closing the meeting President Lingle thanked everyone for the good job they did in helping the college and the Senate.

November 9, 1955

The first meeting of the Student Senate for the year 1955-56 was called to order Wednesday, November 9, at 11:30 in the faculty room in the Hunt Building.

The opening prayer was despensed with and the meeting was opened by Don Tallin, chairman of the Interim Committee, who then turned the meeting over to "Buck" Baker, Senate President. There was a general roll call and several of the organizations were not represented at this meeting.

The first business to take place was the election of a Secretary and a treasurer for the Senate. Those nominated for secretary were Jackie Kennedy and Lynn Hall, the latter being elected. The nominees for Treasurer were Betty Ingmire and Bob Burpitt and Burpitt was elected.

Old business was then called for. Don Tallin brought out that the "A" Book did not call for the Sophomore class to be represented by anyone other than the President; while the Freshman class had two additional representatives to the Senate. Don made the motion that two representatives from the Sophomore class be included in the formal roll of the

Senate. Mr. Persse brought out that this would call for a revision in the constitution. The resolution was passed in the Senate and will be presented to the student body for vote at a future date.

Mr. John Peters, Jr., representing the Alumni Homecoming Committee was then introduced. He presented the view of the alumni on the Homecoming festivities. Instead of having the dance and reception at Armstrong, as in the past, they suggested that we combine the dance and reception and have it at a local hotel. It is believed that this would increase attendance.

The President asked for volunteers for the Student Homecoming Committee, who will investigate this further. Those who volunteered for the committee were: Kay Dunlap, Don Tallin, Celia Green, Barbara Jones, Betty Guenthart, Gail Whittington, Nathan Baldan, Julia Wessels and Lisa Hale. Don Tallin was appointed Chairman.

It was stated that the money for the occasion will come from the social funds. Mr. Peters mentioned that his committee had investigated and found that the Delta would have an opening for the

(Nov 9)

the date set for the dance. The Oglethorpe also would have a suitable ballroom but the decision was the unanimous decision of the Senate. The final arrangements & decisions must rest with the Student, the Faculty and the Alumni Homecoming Committees. It was decided the dress was to be formal.

The next order of business concerned the student publications and was brought up by Dox Tallin. Last year Emory sent a representative to the National conference of Student Publications, and the publications would like to send a representative again this year. The money for this trip would come from the Student Activities Fund, the disbursements of which must be approved by the Senate.

It was moved and seconded that Emory send at least one representative to this conference. The motion was carried. It was then moved and seconded that the number be two, instead of one representative from Emory. This motion was also carried. The election of these representatives was to be left to the Faculty and the "Advisor" and as the cost of this trip was unknown, the amount of money to be used for this purpose it to be

whatever amount is found necessary.

The next matter of business was that of Safety Day, which is on December 1. Lt. Funk of the Savannah Police Department was tacked to Mr. Deese and would like Armstrong to have some kind of public demonstration on that day. Each school in the city is having something that applies to its own age group. Nancy Cronin and Billy Gignilliat were made Co-Chairmen of this committee to plan a safety program.

President Baker then brought up that he had been speaking to President Hawes about complaints of students about Faculty members. President Hawes requested that any such complaints be brought to his office as the students are allowed a voice in the college. He also stated that these complaints could be placed in the Suggestion Box in the front lobby. The Representatives were asked to carry this information back to their various organizations.

A petition for the Canterbury Club, an organization initiated for Episcopal students at Armstrong, was brought before the Senate. The petition was voted on and accepted to be recognized by

(Doc. 4)

the Senate.

There was no further business, the meeting was adjourned at 12:20.

(November 28)

A call meeting of the Student Senate was held Monday, November 28, in room 203 S. The minutes were read & approved. There was a general roll call and President Baber reminded the Senate that the senators are notified if they miss three meetings. The treasurer's report was given. There was a $637.76 balance left from last year which would bring the present fund to approximately $1400.00. No specific figures were available at this time.

It was stated that the Clubs have the right to request an apportionment of this fund. The Debating Team & the Marquees have been allotted no money from this fund for the past few years & it was said that since this fund had been law, they had not requested an allotment and did not have financial assistance therefore.

A report from the Harmonizing committee was called for but the Chairman, Dino Tocci was absent. Nuhad Kabbaz said that the freshmen class had formed the Orientations committee with Mardy Miller as Chairman. There is one sophomore on this committee and others were invited to help.

Mr. Beecher said that Mr. Davies would like the Student Senate to consider the problem of the racket at assemblies and what could be done about it. Two possible solutions suggested by the faculty were slip labelling or faculty supervision at assemblies. However, neither of these are desirable. It was the opinion of some people that this problem may be ironed out when the first quarter jailings leave. It was brought out that these assemblies were made compulsory by the students and that this was the best way of communicating with everyone. Mr. Beecher said all this was simply an informal request coming from the faculty meeting. The senators were asked to take this back to their respective Clubs.

Nancy Ronai then gave a report on safety week. Lois Leland Cole Ingrilla and could think of no plans for Armistice Day except to see St. Jude. St. Jude gave him posters, car stickers and letters for the manual employees. Even the letters are the only things which have not been distributed yet. It was suggested that each senator

(Nov. 28)

representing a religious organization take these letters & distribute them through the clubs. The Senators were asked to obtain some of these letters after the meeting.

President Baker then read part of a letter from the Savannah Chamber of Commerce asking us to help them in the "Keep Savannah beautiful" campaign. This letter asked us to visit all homes & places of business along Gaston streets & urge them to keep their property clean & neat. This letter was discussed. It was felt that this would be the proper thing for us to do.

A discussion was then held on the subject of announcements not being read in class. An Activity Board for posting notices of meetings was suggested. This is being investigated by President Baker.

As there was no further business the meeting was adjourned at 4:20.

Respectfully submitted,
Lucy Hale
Secretary.

Jan. 18

The meeting of the Student Senate was called to order by the President. The minutes of the last meeting were read and approved.

The matter of the Budget was then discussed. It was brought out that the money in the Student Activity fund comes from the $5.00 that each Student pays at registration each quarter. The Faculty takes up the biggest part of this money with Inkwell, Glee Committee and Sophomore and Freshman Classes following respectively.

President Baker then asked for requests from the different Clubs for an allotment in the Budget. It was also mentioned that there was a surplus left from last years budget.

Bill Hess asked that the Dance Committee be allotted $400 and possibly $500 if they decide on another dance. They were put down as requesting $500.

Danny Ward asked that the Debate Team also receive an allotment, the amount of which could not be determined at the present time. It was mentioned that the school may furnish the necessary funds, instead of taking it from the Activity Fund, since the Debate team

Jan. 18

is requesting a school team. They were not included at this time in the budget.

Jerry Mueller requested that the Teeches receive an allotment of $2,500. The annual has increased in size this year and this would increase expenses about $500, the most part of which they intend to make up with ads. The annual was alloted $2380 last year and over-spent $52.

Betty Gezelius asked that the Inkwell be given $500 as a minimum

Nathan Rabkin requested $60 for the Freshman Class, but later changed his request to $100 as they are still $30 behind in paying for the Homecoming dance

The money spent for the representatives from the Teeches & the Inkwell, approximately $300 was put in the budget as a general expense.

Danny Cronin asked that the Mens Intramural Team awards be included in this years budget. The first request of $50.00 was then changed to $75. This matter is to be investigated further and at this time the amount was put in

Jan. 18

the budget at $75.00

The Silver "A" were included in the budget with an allotment of $125.

The A Book will not need to be included in this year's budget as there are enough left.

The Sophomore Class, because of its increase in size, increased their last years allotment of $60, to a request of $100.

It was brought out that the A Book does make allowance for two Sophomore Representatives at the Senate Meetings. One of these representatives, Lane Hanks, has already been elected and will be notified.

President Baker read a letter concerning the "Keep Beautiful Savannah Clean" campaign. Mr. Hershel Jenkins has purchased a trash basket for the property around Armstrong and a place for the basket was discussed. It was decided that the basket is to be put behind the Dump. A committee of boys from the Senate is going to distribute circulars for the campaign.

Tommy Joyce made a request to Pres. Baker that the Senate help support some type of Polio Drive. A basketball game

Jan. 18

and something concerning the Mosquitoes was mentioned. This will be further discussed at a later date.

The Activity Board, which Pres. Baker, has been investigating, will be rather expensive. However, it has been decided to be very necessary and if obtained will be of the type as some of the Churches' use.

As the lunch hour was over, the meeting was adjourned at 12:25 P.M.

A call meeting of the Senate was held today at 11:30 in the Faculty Room. The purpose of the meeting was to approve the budget and elect a sponsor to run for the beauty court.

Carolyn Story and Pat Duffy were nominated for sponsor and Pat Duffy was elected.

The Debate Team added a request for $100 to the tentative budget as discussed at the last ~~month~~ meeting. This brought the total to $4,300.00. The budget was approved by the Senate.

A short meeting of the Student Senate was called to order by Alfred Baker, President. This was an informal meeting.

Patsy Duffey, who was elected to be sponsor for the Senate, declined, and the Senate then elected Gail Whitley to be.

President Baker said that Mr. Pusse would like the Senates' view on himself discontinuing to furnish ushers for the Symphony Concerts. Billy Gignilliat moved that we officially discontinue this as it is very hard to obtain ushers, especially on a school night.

A money making project that may be of interest to the Sophomore or Freshman classes was then brought before the senate. There may be a chance for these classes to earn money by selling small fire extinguishers. This is going to be dealt with further by the classes.

The minutes were then read and approved. It was brought out that the trash baskets still had not been put up but that it would be taken care of very soon.

As there was no further business, the meeting was adjourned. Res. Sub, Lux Hall, Sec.

March 28

The meeting of March 28 was called to order by the President. The minutes were then read and discussed.

One-half of the new efficiencies, being sold by the Freshman and Sophomore Classes have been returned to the Company and most of the others are out to be sold. The trash basket which has not been put up yet.

As there was no old business, the new business concerning conduct at assemblies was taken up. Several remedies suggested by the Senate were to have everyone sit downstairs if there was room; to do away with compulsory assemblies; to have assigned seats; to appeal to the students through the students, through the faculty and through the various clubs; and to have no official action but rather to station some Senate members and students, mainly girls, up in the balcony where most of the trouble seems to be.

It was brought out that there may not be enough room to seat everyone downstairs and that assigned seats would tend to create more discontent. Also, we do not want to do away with

compulsory assemblies as this is the one and only means to contact all of the students at one time.

It was also suggested that we might initiate a Student Assembly Committee and have the students in full charge of half of the assemblies but this was not favored by the entire Senate because of the lack of a cooperative spirit from many of the students.

Further discussion of this matter was tabled until the next Senate meeting so we can observe the conduct at the next assembly with the Senate's "unofficial police action" in force. By stationing these students we hope to break up the offensive groups causing the misconduct. The Senators were also asked to take this matter back to their various clubs.

The Senate is going to try to get together its official roll as there is doubt as to who really belongs at the Senate meetings, and attendance is slack.

The "Keep Beautiful Savannah Clean" Committee has approached President Baker again for some co-operation

from continuing on their project. They want us to go from door to door asking people to help up their property. However, we did not feel this was the proper thing for us to do, therefore we decided against it.

The Sophomores were reminded to hand in their rest room points for the Culver A's.

President Baker also reminded the Senate of the Alumni Association, as it only costs $1/ to become a member. This should be good to keep in touch with and help support the school in later years.

As there was no further business, the meeting was adjourned at 12:00.

April 11

An informal meeting of the Student Senate was held April 11 at 11:30 in the Faculty Room.

President Baker read a mimeographed letter from Arlinda Chilcs Vice Consul in Greece. There was a short discussion of this letter which is some sort of propaganda against the stronghold the British have on these people.

Prison Week was then discussed. The date is to be set later but a few tentative rules were decided upon to be approved later. These rules are:

1. The boys must not shave.
2. The girls can wear no make-up (this includes colored nail polish)
3. There will be no cigarette smoking — Pipes and cigars are allowed.
4. The festivities will last for two days
5. Bermuda shorts are not allowed.
6. Water pistols are not allowed.
7. No firearms
8. Working student is must pay 1.00 per day to wear regular clothes.

The meeting then ended.

Apr. 25

A short, informal meeting of the Student Senate was held Wed, Apr. 25. President Baker said that we should start planning for the Interim Committee for next year. Instead of each club designating one freshman member to make a speech at the beginning assembly next year, it was decided that it would be better if each club wrote a speech and left it to be read by someone who would be decided on when some members of the Club came back. This change in plans is due to the fact that many students who we supposed to work with the Interim Committee do not come back the next year.

The rules for Prom days were revised and fines were set. The dates of the Prom days will be Tuesday & Friday, May 17th & 18th. The rules, directions and fines are as follows:

1. The boys must not shave (fine 25¢)
2. The Girls must not wear make up - this includes colored nail polish & perfume (fine 25¢)
3. There will be no cigarette smoking - pipes and cigars will be allowed - "as you please" "all your own." (fine 10¢)

4. Bermuda shorts & pedal pushers are not allowed (fine 50¢)
5. Water pistols are not allowed (fine 25¢)
6. No firearms (fine "A" 1¢/M/T")
7. No jewelry is allowed other than rings, watches & fraternity pins (fine 10¢)
8. Any girl student is required to wear regular clothes.

Officials for the festivities are:
Sheriff: Barry Crowell
Judge: "Buck" Eaton
Prosecuting Attorney: Julius Bernstein
Defending Attorney: Dave Lewis
The 8 deputies will be appointed by the Sheriff.

May 16

The final meeting of the Student Senate for the year 55-56 was held May 16, in the Faculty Room of the Hunt Building. President Baker presided.

The first order of business was to name an entertainment committee for next year. Since Al Newton, Kay Fitzpatrick, Julia Knowles & Gene Pierce were the only freshmen present, they were named to be on this committee. They were asked to recruit more members from the freshman class to serve on this committee whose function is to assist the incoming freshmen of next year. This committee has charge of the first assembly & the first dance. Other duties can be found in the by book.

Any one interested in helping on this committee was asked to see Mr. Pierce or "Buck" Baker. The cheerleaders were volunteered to help plan with this committee were: Carolyn Stacy, Bob Burpee, Kay Fitzpatrick, and Gene Pierce.

Aside from the installments, the Senate and Law approximately $35.

The first meeting of the Student Senate for the year 1956-57 was called to order by the president Jerry Muller. There was a general roll call, and several organizations were not represented at this meeting. The president announced that senators may not have more than one unexcused absence per quarter. Fifteen absences will drop the senator from the Senate roll.

It was brought up that clubs which have money-making projects must turn 33⅓ % of the profits over to the school. When clubs have parties, they should notify the school of the time, place and chaperones. way that

The next business is electing a secretary and a treasurer. Linda Nease was the only

nomination for Secretary, and was thereby elected. Mr. Reese then explained the duties of the Senate Treasurer. Kay Kilpatrick and J. D. Loff were nominated for this office, the latter being elected. There will be a Finance Committee to determine distribution of funds. This Committee will be headed by Treasurer, J. D. Loff, and other members are Bob Joiner, Ed Newton, Paula McKenzie, and Lucy Rosdal.

The Senate then discussed the possibility of getting into movies at a student rate. This would necessitate new ID cards. We felt that the theater managers might object to extending this privilege to veterans, and older students (including those who work and have families). We decided that the Secretary would write the theaters on this matter. A tentative letter was read, and will be revised and sent to theater managers. A

(Oct 24)

committee to negotiate with the managers is composed of Ray Kilpatrick, J. B. Hoff, and Linda Reese.

The President then announced that a committee consisting of Ray Kilpatrick, Nettie Bayley, Gene Peirce and Jerry Mulder ~~is~~ are working on the revision of the "A" Book. The revisions will be read and voted on at the next meeting. The changes will be put into effect this year. All Constitutional amendments must be voted on by the student body.

The President asked that we have more orderly meetings, everyone being recognized before he speaks. This would speed up and clarify all business.

We had a report from the theater committee. The letters had not yet been sent. J. B. Staff, finance committee chairman and senate treasurer, read the '56-'57 Budget. It read as follows:

Leader —	2,800
Sophomore Class —	[illegible]
Freshman Class —	[illegible]
Total	$ 4700

The idea of forming a panhellenic council was suggested, and was explained by Mr. Persse. He said the faculty committee had already approved it. It would be an organization of the sorority and fraternity presidents, who would work together on their mutual problems. These groups would not receive money from the SAF and would not have to pay 33⅓ profit from money-raising projects to the school. Gene Pierce moved that the Council be formed, and the motion was passed.

It was then brought up that there is no student-faculty committee. It has been suggested that students be on the SA Committee. The following persons were appointed to this Committee: Jerry Mueller

and Kaddy Gurry. These others were elected: Kay Kilpatrick, Patricia Beiser, and Richard Howard.

The question was raised as to whether cheerleaders should be represented in the Senate. Gene Pierce moved that they should be recognized by and represented in the Senate. The motion carried.

The next matter of business was that of "A" Book revisions. Due to lack of time, the entire time of the next Senate meeting will be devoted to the revisions of the "A" Book.

There was no further business, and the meeting was adjourned.

The meeting was called to order by the President, Jerry Muller. The minutes were read and the roll was called.

Dr. Victor from the Alumni assn. spoke to us about the Science Annex Campaign. The addition is not only desirable, but it is necessary. We face some problems before the campaign starts: 1) the community holds some wrong impressions. These would have to be corrected before some people would contribute. 2) Armstrong is a city-owned college. We have to sell the community this project as their own.

The campaign will be held through February. Dr. Victor asked our whole-hearted support as current students of Armstrong.

What part will the student

body play in this campaign? The support of all the students is needed in the way of small gifts. Some contributions have already been made, showing the interest present. The goal is $225,000. A temporary student committee was formed: Hudson Ayers, chm.; Paly Kilpatrick, Lucy Frostad, Paddy Guerry, Sharon Peters, Paula McKenzie, Patsy Nicholson, Richard Howard, Jerry Muller.

Mr. Hawes said that the students were tampering with the juke box, and it would be removed if this behavior were not corrected. He also said that small level gambling was going on in the Dump. This is a violation of city law (the city owns the building) and of the Armstrong College Commission.

J.B. Hoff is leaving and

Mr. Hawes said he would make a memorandum to teachers not to hold students after 11:30, so that they won't be late to Senate.

There was inadequate time to discuss "H" Book Revisions. A call-meeting will be held for this purpose.

The meeting was called to order by the President, Jerry Muller. The minutes were read and the roll was called. Mr. Saved was present to discuss the Gamble campaign. He introduced Mr. Steve Nelson, who showed us a booklet to aid in contributions. There will be maroon and gold teams for the day and night school. There will be two kinds of buttons: builders ($25-$99) and investors ($100). Each team wants to get 3 builders per student I 1 dollar down, 2 dollars per month I. $25 is minimum for a builder. Less is accepted and appreciated. Each student will make a list of five prospects. This list will be narrowed to 3, who will be approached with cards, buttons, etc. In this way each student is obtaining $75. Information and instructions will be given

The president had attended an alumni Assn meeting to discuss plans for the Gamble campaign. Mr. Durfee talked to us about the campaign. A big problem is placing our situation before the city as a whole. We believe a two-year college can have school spirit and group effort. We will use radio, TV, etc. to bring Armstrong to the attention of the people. Sixteen companies have loaned their billboards all over the city for our use in advertisements. We will also use signs on the back of taxicabs, bumper stickers, etc. All these methods will be used at once. The awards for the winning

Harris Kandel talked on the Red Cross drive and how Armstrong could help with the committee work. Groups of students could pick up clothing for the Hungarian relief. We were also to bring warm, clean clothing to the Armstrong lobby.

We then elected a sponsor for the beauty assembly. The nominations were Anne Mills, Patricia Beiser, and Sharon Peters. Anne Mills was elected the Senate candidate.

Packets containing all the building fund information were distributed to all Senators. Buttons are to be distributed

next week. The teams were divided by numbers. Additional information was handed out to be given to all individual team members.

Under old business, we decided to keep the "A" book revision re-vote until more members are present. Prior to this vote the revisions must be revised. Each Senator whose club was against these revisions is asked to find out what the club dislikes. We discussed the possibility of a faculty-student committee writing the new revisions.

Anne Mills moved that we elect a parliamentarian. He would have to be someone at least familiar with parliamentary procedure. Mr. Persse suggested that an officer automatically become parliamentarian. Lorna Lapp moved that the Vice President be the parliamentarian

and that his primary (Mar 27)
responsibility be to maintain
order. The motion passed.

Ray Kilpatrick moved that
the Senate buy a gavel for
the President. The motion
passed. Ray, as the treasurer,
was to price gavels, get the
money, and buy one by the
next meeting. Ed Newton sug-
gested that we leave the

years with an inscription to
that effect. Mr. Persse asked
if we would like to set up
the room, so that the meetings
would not be so informal and

of teachers not reading the an-
nouncements in class. We
decided to write Mr. Hawes a
letter, bringing the problem
to his attention and asking
that he stress to the teachers

(March 1) the importance of their reading the announcements.

We then discussed the possibility of having an awards assembly near the end of this quarter. Mr. Perala told about all the awards that have been made in different places and at various times. Our president and vice-

(Apr 24) president went to an Alumni meeting. They now have $140,000, and they will soon let out bids and start building. We are trying to make $2000 on the musical. The Senate has been given the responsibility to sell the tickets. We can sell them any way we want to. We want to have an extra publicity campaign, letting the public know that this is going to be a big production. The problem is how to distribute tickets. There being too much discussion and too little done, we decided to have a committee of interested people. Those who volunteered were: Roddy Gurry, Bob Joiner, Sharon Peters, Kay Kilpatrick, and Lorna Lapp.

We then discussed Pioneer Days. We elected Roddy Gurry as sheriff and Hudson Ayers as judge. We decided to have

it the week of May 6-10. (Apr 24)

The roll was called and thirteen Senators were present.

The minutes were read by the secretary and approved by the Senate.

The President then called for the reports from the various committees. The "A" Book committee Chairman, John Hopkins, reported that this committee was set up for the revision of the silver "A" qualifications, not for the book itself. They were to have a meeting the following day, November 7.

Two petitions were brought before the Senate for the charter of clubs. The first, the Aesculapians, is a club for those students

interested in medicine or its allied fields. Roddy Guerry represented the club. After discussion Lorna Lapp made a motion that this club be represented in the Senate. The motion was seconded by Ann Youngblood and carried by the Senate.

The second club, The Young Democrats of Armstrong College, is to promote political interest among students. Anyone may join this club and if they are not Armstrong students, they will be referred to the Chatham County Democrat Club. Robert Roth represented this club. A motion was made by Sharon Peters that this club be recognized by the Senate. The motion was seconded by Joyce Krimson and carried unanimously.

Mr. Pierce said that we check into the number of meetings a senator is allowed

The budget for this year is $5,000; $2,800 will go to the Greeter, $1,000 to the Inkwell, $500 to the Dance Committee, $100 to the Freshman Class and $100 to the Sophomore Class, making a total of $4,500. He also suggested a meeting of the Alumni and College Committees.

A petition for a new club was brought before the Senate but was withdrawn until the next meeting because

of a conflict in the name of the club with a girl's Intramural Team.

It was announced that on Thursday, November 27, the Installation of Officers will be held. Judge Victor B. Jenkins will preside.

There being no further business the meeting was adjourned.

Joyce Krenson and

Sharon Peters will serve on the committee.

The President urged that more clubs sponsor Open Houses held after basketball games.

The senate decided to post a notice on the bulletin board asking students to refrain from playing bridge in the "Dump" between 11:30 and 12:30.

The meeting of the Student Senate was called to order by the President. The roll was called and 19 Senators were present. There were no minutes of the previous meeting.

The secretary was asked to send notices to those Senators who had missed three consecutive meetings.

Lorna Lapp gave a report on the picnic. She contacted Captain Stevens who told her that a four hour cruise would cost $125. To go to Hilton Head for an all day picnic would cost $165. The boat holds 125 people. The date for the picnic is May 16. A committee will contact Mr. Hawes to see if it is possible to make this day a holiday.

Because of the limited number of people the boat will hold,

Lorna will contact Captain Stevens again to see about a larger boat.

October 22, 1958

The first meeting of the 1958-59 Student Senate was called to order by the president, Tom Edenfield, on October 22. Since this was the first meeting, there were no committee reports or any old business.

The President told the Senators about the rules concerning absences. If a Senator has more than three unexcused absences, he is immediately dropped from the roll.

The first order of business was to elect a secretary and treasurer. Jay Cook was elected treasurer, and Barbara Mordecai, secretary.

Next a note from President Hawes, about the unnessary discharging of fire extinguishers, was read. It was decided to only warn first offenders; but if these incidents continue, severe action will be taken.

A committee was elected to study the Constitution and suggest any necessary amendments. The committee is: Calvin Cross, chairman, Barbara Myers, Richard Fields, Ann Spencer, and Marsha Torrance.

In order to give Senators some recognition, it was suggested that Senate members be given a special pin. One suggestion was that Senate buy

the pins, and the Senators would be required to turn them in at the end of the school year. Another suggestion was to make each club buy the pin for its representative. A committee composed of Joan Coons, chairman, and Barbara Myers was elected to look into kinds and prices of pins.

Tom reminded the Senate that it is the real governing body of the school. The Senate has the power to do many things on its own, and the faculty takes all its suggestions seriously.

It was suggested that we might dinner meetings, two or three times each quarter. We decided to only have one this quarter, to see if it was worth the time and money.

All the Senators were asked to take Senate news back to their clubs. Brice Langford announced that the Inkwell would publish a column about the meetings, and we were also told that the Radio Workshop would announce our news. It was brought out that all Senate meetings are open, and all interested students are urged to attend.

A finance committee with Jay Cook, chairman, Calvin Cross, Brice Langford, Erma Holland, and Joan Coons was elected.

A motion was made and passed to combine the

student activity committee and the assembly committee. The members of this joint committee are Dana Hurst, Barbara Myers, Angela McDonough, and Mary Lynn Roberts.

The president said that he would try to have a copy of the Rules of Procedure for each senator by the next meeting.

Since there was no further business, the meeting was adjourned.

November 5, 1958

On November 5, the meeting of the Student Senate was called to order by the President, Tom Edenfield. The minutes were read and approved.

Tom again reminded the club that they will be dropped after three unexcused absences. When a Senator is dropped a formal letter of dismissal will be sent to the Senator and the club he represents.

Jimmy Collins, the new vice president, of the Senate was welcomed to the Senate. Jimmy became Senate Vice President by being elected President of the Freshman Class.

There was no old business to discuss.

Tom brought out that there was some gambling going on in the Dump. Gambling is a violation of both Armstrong rules and City laws. Any student who is caught gambling can be suspended if the Senate thinks it is necessary. It was decided to ~~only~~ send a note to all classes warning the students.

It was announced that Pres. Haines has given the Senate room 109 in the Armstrong Building as a permanent Senate Chamber. Jay Cook and Chad Fields were appointed to build a platform in the room.

Mr. Prose advised the ~~club~~ Senate to wait

November 5, 1958

until the College's transfer into the University System at the first of the year before drafting a budget. We will not be sure until then exactly what arrangements will be made for the student activity fund. More than likely, clubs will not be able to use activity funds for parties, activity fees will be increased, and athletics will come under student activities. No ~~club~~ will be able to get any money until the first of the year when the ~~new~~ budget is made up.

Mr. Perasa said ~~he~~ that tuition fees will probably be reduced, but everything else will remain the same.

Tom reminded the Vice President that the Homecoming Dance was sponsored by the Freshman Class. He also said that there would be a Homecoming Parade again this year.

Since there was no further business, the meeting was adjourned.

The November 19, meeting of the Student Senate was called to order by the President, Tom Edenfield. The minutes were read and approved.

Mr. Tom Dillon, a prominent Savannah attorney, was introduced to the Senate. As an alumnus of Armstrong, Mr. Dillon was [redacted] to help us with the Homecoming plans. He said that the alumni have offered to send notices to their classmates along with the invitations we will send to them, inviting them to the Homecoming activities.

Vice President Jimmy Collins, who is in charge of planning all Homecoming activities, related the plans that had already been completed. He wasn't sure where the money would come from for the dance; but if we can't get it out of student activity fees, the school will pay for it. The dance has been set for December 26, and the Crystal Ballroom of the General Oglethorpe has been rented for $100. Neither Donner's nor Sasaiter's band could be hired to play at the dance. Russell Peacock's band, which consist of 7 pieces and a girl singer, was recommended. The Senate decided that they would hire Pea-

rock for $145, if they could get some good references about his playing.

The Dance Committee will and the alumni will plan the dance and parade. The only definite plans that have already been made for the Homecoming Parade is that it will be on December 6, and every club is supposed to enter at least one decorated car.

The Freshman class is supposed to nominated candidates for Freshman King and Queen. Later they will hold an election, but the King and Queen won't be crowned until the Homecoming Dance.

Mr. Dillon suggested that we might be able to get some businesses to donate small articles for door prizes at the dance.

A suggestion was made to the Constitution Committee that the Freshman and Sophomore Class officers become members of the Senate. The committee promised to take this under consideration at their next meeting.

Since it was getting late, the meeting was adjourned.

The Student Senate's last meeting of the fall quarter was called to order by the President, Tom Edenfield, on December 3. The minutes were read and approved.

All the last minute preparations for the Homecoming Parade and Dance were the main order of business.

The Parade will start at 3:00 on Saturday, the sixth of December. Decorating the cars should begin about 2:00. All clubs are expected to enter at least one car in the parade. The club that enters the best decorated car will have its name engraved on the loving cup that is in the trophy case. Police escorts have already been obtained for parade, and the route has been planned. The parade will go down Gaston to Montgomery, up Montgomery to Broughton, down Broughton to East Broad. Then the parade will head for the Triple X, where it will disband.

The decoration committee for the dance already has the crown for the candidates to walk through, and they are having a meeting today to plan the rest of the decorations. The Freshman Class has already elected the King, Queen, and court, and the results will be announced at

December 3, 1958

the Dance. Donna Waters was appointed to send out the invitations to the dance. Both committees were asked to help address the invitations. The publicity committee has been doing a real good job in making posters and putting articles in paper. Everyone was urged to support all the Homecoming Activities.

A list of all the Senate Committees was read to remind the Senators of what they should be work on.

It was noted that all the officers of the Freshman and Sophomore Classes will become members of the Senate.

A long, heated discussion was held about the Dean's list. Some Senators contended that P.E. grades should not keep a good student off the Dean's list. Since nothing was being decided, the discussion was tabled until the next meeting.

Since there was no further business, the meeting was adjourned.

The January 14 meeting of the Student Senate was called to order by the President, Tom Edenfield. The minutes of the last meeting were not read since the secretary forgot to bring them.

A motion was made and passed that the Graduation Dance will be combined with the Spring Dance. Attendance at the Graduation Dance has always been small. Also, the Freshman Class, who sponsors the dance, doesn't have any money. It was decided to see if we could hire George Donner's nine piece dance band at $150 for the Spring Dance.

Jay Cook, Senate treasurer, read the Student Activity fund budget. It is broken down in the following way:

Athletic Activities	$4,000.
Radio Workshop	350.
Debate Team	355.
Geechee	2,800.
Inkwell	1,000.
Dance Committee	700.
"A" Book	300
Surplus	335
Total -	$10,320

Miss Rossiter and Mr. Pence made up this budget in October, and it was approved by the Board of Regents. The Senate wasn't able to help draw up the budget, because it wasn't organized at this time. Miss Rossiter is now in Atlanta to see if the budget can't be made flexible enough that unused money in one account can be transferred to another account which is in need of money.

A petition, signed by about 50 students, was presented to the Senate. It asked that a coin-operated juke box be placed in the Snack Bar. A committee was appointed to make arrangements with Mrs. Pound in this matter. The committee members are Joan Cowan, chairman, Chuck Fields, Ivy Hanson, and Calvin Cross.

A discussion on whether the physical education grades should be among the Dean's list qualifications was tabled until the next meeting.

The February 4 meeting of the Student Senate was called to order by the President, Tom Edenfield. The secretary read the minutes, and they were approved by the Senate.

The first order of business was the election of Angela McDonough as the sponsor for the Student Senate in the 'Geechee Beauty Review.

The Juke Box Committee reported that President Hawes and Mrs. Pounds agreed to allow a juke box in the Dump if each Senator would personally see that the machine is not abused. Jimmy Dukes will be able to give us a machine that can't be tampered with. A $25 city license and a $10 federal license are required to operate a juke box. The money for these licenses will come out of the profits from the juke box. The rest of the profits will go into the Student Activity Fund.

Plans are underway to fix up the Senate room. Tom asked all the boys present to help with the work so that the room would be ready by the next meeting.

A lengthy discussion was held on the matter of P.E. cuts. At the present time, students are allowed no cuts in P.E. The main argument against this was that the catalog and "A" Book

February 4, 1959

state that a student is allowed as many unexcused cuts in a class as the class meets per week. A motion was made that students be allowed cuts in P.E. This was unanimously passed. Tom Edenfield, Jimmy Collins, Jay Cook, and Barbara Mordecai were appointed to talk to President Hawes about this matter.

Another discussion was held on the subject of P.E. keeping students off the Dean's list. A motion was made and passed that P.E. grades should not keep a student off the Dean's list. Since the Senate couldn't decide how this measure should be carried out, the discussion was tabled until the next meeting.

On February 18, the ~~Student~~ meeting of the Student Senate was called to order by the President, Tom Edenfield. The minutes were read and approved.

The treasurer, Jay Cook, read the amounts of money that each club that is financed by the Student Activity Fee has left. It was pointed out that the Debate Team would need $100 - $200 more and that the Dance Committee would need $250 - $300.

Joan Coons reported that President Hawes says that the profits from the juke box will have to go to Mrs. Founds. She is on a very limited budget and she has to pay for the electricity to operate the machine from this budget. Joan also reported that we didn't have to pay the $25 city license and that Mr. Dukes would be glad to put the records we want in the juke box if we'll let him know.

Tom asked the boys to met him Friday to fix up our room in the Armstrong building. He also asked the Secretary to contact the officers of the Freshman & Sophomore class to let them know that they are members of the Senate.

Jane Smith made a motion that the Sophomore Class President ~~should not automatically~~

February 18, 1959

~~become the~~ and the Freshman Class President should automatically become the President + Vice President of the Student Senate. After a discussion period, this motion was tabled until the next meeting.

Tom read the Senators the petition that Al Wall has drawn up. Each amendment to the Constitution in the petition was read and discussed. But Tom pointed out that since no one has officially presented the petition, the Senate can't take any action on it. Jimmy Collins reminded the Senators of the many years that the present constitution has been in effect. So far it has ~~proved to be~~ been a very good constitution, so we should give alot of thought to the matter before we change it.

The last Student Senate meeting of the winter quarter, ~~held~~ on March 9, was called to order by the President, Tom Edenfield. The minutes were read and approved.

The first order of business was a proposal of a revised method for granting charters to new clubs. It stated that the new organization should be given only conditional approval for a period of a year during which it must be demonstrated to the satisfaction of the Student Senate that the organization has lasting potential. Final approval by the Senate and the faculty may be granted only at the end of this conditional period. This proposal was unanimously passed.

Jay Cook presented a charter for a new fraternity, Phi Delta Gamma, to the Senate. He asked that the fraternity be recognized under the new ruling. The Senate voted unanimously to recognized the fraternity, but Tom added that initiation practices would have to meet the approval of the Senate.

The three physical education teachers, Miss Tucker, Mrs. Cassett, and Coach Sims were present at the meeting to discuss P.E. cuts and P.E. grades affecting Dean's List standings. Coach Sims, speaking for the physical education department, said

that the Curriculum Committee, of which he is a member, was meeting the next day. He stated that he didn't think that the standards of the Dean's list should be lowered by not counting P.E. grades for Dean's List qualifications. He explained that the P.E. department doesn't give cuts because they are lenient in excusing students. The department doesn't give make-up classes in exercises because they don't have the facilities to hold make-up classes in the type of class that the student missed.

After the Coach's talk, the Senate members asked question of the three teacher and tried to show them their point of view on each subject.

Al Wells presented a petition with 101 signatures to the Senate. He asked that each admendment to the Constitution in the petition be read and voted on separately. Tom read the first admendment, and a lengthy discussion followed.

Since it was quite late, this discussion was tabled until the next meeting, and the meeting was adjourned.

It was reported that the Curriculum Committee had already held its meeting about the P.E. grading system. Their decision will not be made public until the next faculty meeting.

The first order of New Business was the discussion of Pioneer Week. Pioneer Week will be the first three days of the first week in May. Dance Smith was appointed chairman of the committee to make all the arrangements for Pioneer Week. The members of the committee

April 2, 1959

are Robert Mallia, Jay Hamon and David Thomas. Mr. Ferrari is planning an elaborate assembly for Pioneer Week. It is going to be a salute on T.V. Montana and the Board of Regents will be the host group.

The donate voted to have another beer party this year. But the Student Activity Fund will not be allowed to pay for it, so everyone will have to provide their own food & transportation. Jean Cone and Ted Lowry were asked to be in charge of all arrangements.

Jimmy Collins proposed that the student donate must sanction all school referendums. This was unanimously passed.

Tom brought up the fact that the boys' rest rooms were not kept clean and that there was alot of obscene writing on the walls. After a short discussion, Tom offered to talk to President Hamon about the matter.

It was brought up that the teachers, themselves, are punishing students accused of cheating and that these students can appeal their cases to the donate.

The School beach-picnic will be held Thursday, May 28. Everyone will meet at the Recreation Center at ~~Hilton Head~~ Tybee. It was decided that it ~~was~~ would ~~might~~ be a good idea to look into the matter of selling tickets for box lunches to anyone who wanted one.

The Senate decided to check and find out how much power the Senate has in cheating cases. It was suggested that the teachers be notified that they can turn cheaters over to the Senate for trial. It was also suggested that an assembly with a panel discussion

April 15, 1959

Jay Harmon read last year's Pioneer Week rules to the senate. It was decided to use the same rules this year with one exception; girls will be allowed to wear lipstick. Jay said that she would post the rules on the bulletin boards around the school so that everyone would know what they are. The senate voted to change the days of Pioneer Week to Wednesday, Thursday, and Friday (May 6, 7, and 8) so that the Wednesday assembly for Pioneer Week would fall on the first day of the festivities.

Barbara Mordecai reported on the cost of hot lunches for the school picnic. After a short discussion, it was decided that it would be easier just to let everyone bring his own lunch. This year the picnic is going to be held at the picnic grounds because eating on the beach proved very unsatisfactory. Ward and Joan told the

They also announced that we would meet at the picnic grounds at Tybee between 10:30 and 11:00. Joan stated that David Thomas was in charge of the entertainment for the party.

The Senate voted to have boted picnic lunches if at least 30 people want them. Mr. Persse said that he would print up tickets to be sold to those who want the lunches.

A long discussion was held on whether the President of the Sophomore Class and the President of the Freshman Class should be the President and Vice President of the Student Senate. The Senate finally voted to keep this practice as it is. It was also voted to have no campaign
